BE IT ORDAINED BY THE COUNTY COUNCIL OF BEAUFORT COUNTY, SOUTH CAROLINA, AS FOLLOWS:

<u>SECTION 1</u>. <u>Findings and Determinations</u>. The County Council (the "County Council"), of Beaufort County, South Carolina (the "County"), hereby finds and determines:

- (a) Pursuant to Section 4-9-10, Code of Laws of South Carolina 1976, as amended, and the results of a referendum held in accordance therewith, the Council-Administrator form of government was adopted and the County Council constitutes the governing body of the County.
- (b) Article X, Section 14 of the Constitution of the State of South Carolina, 1895, as amended (the "Constitution"), provides that each county shall have the power to incur bonded indebtedness in such manner and upon such terms and conditions as the General Assembly shall prescribe by general law. Such debt must be incurred for a public purpose and a corporate purpose in an amount not exceeding eight percent (8%) of the assessed value of all taxable property of such county.
- (c) Pursuant to Title 4, Chapter 15 of the Code (the same being and hereinafter referred to as the "County Bond Act"), the governing bodies of the several counties of the State may each issue general obligation bonds to defray the cost of any authorized purpose and for any amount not exceeding its applicable constitutional limit.
- (d) The County Bond Act provides that as a condition precedent to the issuance of bonds an election be held and the result be favorable thereto. Title 11, Chapter 27 of the Code of Laws of South Carolina 1976, as amended, provides that if an election be prescribed by the provisions of the County Bond Act, but not be required by the provisions of Article X of the Constitution, then in every such instance, no election need be held (notwithstanding the requirement therefor) and the remaining provisions of the County Bond Act shall constitute a full and complete authorization to issue bonds in accordance with such remaining provisions.
- (e) A successful referendum (the "Referendum") was held in the County on November 7, 2000. A portion of the Series 2004 Bonds were issued pursuant to the Referendum.
- (f) The assessed value of all the taxable property in the County as of June 30, 2011, is \$1,823,808,541. Eight percent of the assessed value is \$145,904,683. As of the date hereof, the outstanding general obligation debt of the County subject to the limitation imposed by Article X, Section 14(7) of the Constitution is \$80,253,597 which includes the Bonds to be Refunded (hereinafter defined).

Thus, the County may incur \$65,651,086 of additional general obligation debt within its applicable debt limitation.

- (g) A portion of the Series 2004 Bonds (hereinafter defined) are subject to the 8% constitutional debt limit. The difference between the outstanding principal amount of the maturities subject to the 8% constitutional debt limit to be refunded of the Series 2004 Bonds and the amount needed to refund the certain maturities subject to the 8% constitutional debt limit of the 2004 Bonds will also count against the County's 8% constitutional debt limit.
- (h) Pursuant to constitutional and statutory authorizations, the Referendum, and an Ordinance duly enacted by the County Council on August 23, 2004 (the "2004 Ordinance"), the County issued its \$30,500,000 General Obligation Bonds, Series 2004, dated October 15, 2004 (the "Series 2004 Bonds").
- (i) Sections 11-21-10 to 11-21-80 of the Code of Laws of South Carolina 1976, as amended, empower any "public agency" to utilize the provisions of Article 5, Chapter 15, Title 11 (the "Refunding Act") of the Code of Laws of South Carolina 1976, as amended, to effect the refunding of any outstanding general obligation bonds.
- (j) The Series 2004 Bonds are currently outstanding in the amount of \$28,250,000. The Series 2004 Bonds maturing on or after February 1, 2015, are subject to redemption at the option of the County on or after February 1, 2014, as a whole or in part at any time, and if in part in such order of maturity as selected by the County, at par, together with the interest accrued thereon to the date fixed for redemption.
- (k) Based on current market conditions and projected savings, the County Council finds that it is in the best interest of the County to effect a refunding of certain maturities of the Series 2004 Bonds (the "Bonds to be Refunded") because a savings can be effected through the refunding of such Series 2004 Bonds. The County Council recognizes, however, that current market conditions may change and that, as of the date of enactment of this Ordinance, a determination cannot be made as to the amount of such savings, if any, realized through the refunding of the Bonds to be Refunded and that certain authority relating to such refunding is delegated to the County Administrator and/or his lawfully-authorized designee through this Ordinance. Because the Refunding Act requires that refunding bonds be sold at public sale, there can be no assurance that market conditions at the time of such sale will be similar to the prevailing rates on the date of the enactment of this Ordinance. If the rates of interest on the refunding bonds authorized by this Ordinance do not result in satisfactory debt service savings, the County Council, through the authority delegated to the County Administrator and/or his lawfully-authorized designee, will be empowered to reject bids for the purchase of the refunding bonds.
- (h) The County Council has been advised by Bond Counsel that a best practice related to the issuance of tax-exempt debt is for each issuer to have Written Procedures related to Tax-Exempt Debt.
- (i) It is now in the best interest of the County for County Council to provide for the issuance and sale of not exceeding \$30,000,000 principal amount general obligation refunding bonds of the County to provide funds for (i) refunding the Bonds to be Refunded; (ii) costs of issuance of the Bonds (hereinafter defined); and (iii) such other lawful purposes as the County Council shall determine and to adopt the Written Procedures Related to Tax-Exempt Debt.

SECTION 2. Authorization and Details of Bonds. Pursuant to the aforesaid provisions of the Constitution and laws of the State, there is hereby authorized to be issued not exceeding \$30,000,000 aggregate principal amount of general obligation refunding bonds of the County to be designated "\$30,000,000 (or such lesser amount issued) General Obligation Refunding Bonds, (appropriate series designation), of Beaufort County, South Carolina" (the "Bonds"), for the purpose set forth in Section 1(k) and other costs incidental thereto, including without limiting the generality of such other costs, engineering, financial and legal fees.

The refunding of the Bonds to be Refunded shall be effected with a portion of the proceeds of the Bonds which proceeds shall be used for the payment of the principal of such Bonds to be Refunded as and when such Bonds to be Refunded mature and are called for redemption in accordance with the provisions of the 2004 Ordinance and interest on such Bonds to be Refunded as and when the same becomes due. If necessary, notice of the aforesaid refunding for which a portion of the proceeds of the Bonds will be used shall be given in a financial paper published in the City of New York, State of New York.

Upon the delivery of the Bonds, the principal proceeds thereof, less issuance expenses, shall be deposited with an escrow agent to be named (the "Escrow Agent") and held by it under a written refunding trust agreement between the Escrow Agent and the County (the "Refunding Trust Agreement") in an irrevocable trust account. It shall be the duty of such Escrow Agent to keep such proceeds invested and reinvested to the extent that it shall be practical in obligations of the United States or any agency thereof and to apply the principal and interest of the trust so established in the manner prescribed in such Refunding Trust Agreement.

The County Administrator and/or his lawfully-authorized designee are hereby authorized and directed for and on behalf of the County to execute such agreements and give such directions as shall be necessary to carry out the provisions of this Ordinance, including the execution and delivery of the Refunding Trust Agreement. The Refunding Trust Agreement shall be dated the date of delivery of the Bonds to the initial purchasers thereof.

Upon the award of the Bonds, the County shall designate the Bonds to be Refunded for redemption on a date determined by the County Administrator and/or his lawfully-authorized designee in accordance with the 2004 Ordinance.

The Bonds shall be issued as fully registered bonds registrable as to principal and interest; shall be dated their date of delivery to the initial purchaser(s) thereof; shall be in denominations of \$5,000 or any integral multiple thereof not exceeding the principal amount of Bonds maturing each year; shall be subject to redemption if such provision is in the best interest of the County; shall be numbered from R-1 upward; shall bear interest from their date payable at such times as hereinafter designated by the County Administrator and/or his lawfully-authorized designee at such rate or rates as may be determined at the time of the sale thereof; and shall mature serially in successive annual installments as determined by the County Administrator and/or his lawfully-authorized designee.

Within twenty-four (24) hours after the receipt of bids, the County Administrator is hereby authorized to designate the registrar and paying agent (the "Registrar/Paying Agent") for the Bonds. The Registrar/Paying Agent shall be a bank, trust company, depository or transfer agent located either within or without the State of South Carolina.

SECTION 3. Delegation of Authority to Determine Certain Matters Relating to the Bonds. The County Council hereby delegates to the County Administrator or his lawfully-authorized designee the authority to: (a) determine the par amount of the Bonds; (b) determine the maturity dates of the Bonds and the respective principal amounts maturing on such dates; (c) determine the interest payment dates of the Bonds; (d) determine the redemption provisions, if any, for the Bonds; (e) determine the date and time of sale of the Bonds; (f) receive bids on behalf of the County Council; (g) determine the Registrar/Paying Agent for the Bonds, and (h) award the sale of the Bonds to the lowest bidder therefor in accordance with the terms of the Notice of Sale for the Bonds.

After the sale of the Bonds, the County Administrator and/or his lawfully-authorized designee shall submit a written report to County Council setting forth the details of the Bonds as set forth in this paragraph.

SECTION 4. Registration, Transfer and Exchange of Bonds. The County shall cause books (herein referred to as the "registry books") to be kept at the offices of the Registrar/Paying Agent, for the registration and transfer of the Bonds. Upon presentation at its office for such purpose the Registrar/Paying Agent shall register or transfer, or cause to be registered or transferred, on such registry books, the Bonds under such reasonable regulations as the Registrar/Paying Agent may prescribe.

Each Bond shall be transferable only upon the registry books of the County, which shall be kept for such purpose at the principal office of the Registrar/Paying Agent, by the registered owner thereof in person or by his duly authorized attorney upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar/Paying Agent duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any such Bond the Registrar/Paying Agent on behalf of the County shall issue in the name of the transferee a new fully registered Bond or Bonds, of the same aggregate principal amount, interest rate, and maturity as the surrendered Bond. Any Bond surrendered in exchange for a new registered Bond pursuant to this Section shall be canceled by the Registrar/Paying Agent.

The County and the Registrar/Paying Agent may deem or treat the person in whose name any fully registered Bond shall be registered upon the registry books as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such Bond and for all other purposes and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the County nor the Registrar/Paying Agent shall be affected by any notice to the contrary. In all cases in which the privilege of transferring Bonds is exercised, the County shall execute and the Registrar/Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Ordinance. Neither the County nor the Registrar/Paying Agent shall be obliged to make any such transfer of Bonds during the fifteen (15) days preceding an interest payment date on such Bonds.

SECTION 5. Record Date. The County hereby establishes a record date for the payment of interest or for the giving of notice of any proposed redemption of Bonds, and such record date shall be the fifteenth (15th) day (whether or not a business day) preceding an interest payment date on such Bond or in the case of any proposed redemption of Bonds, such record date shall be the fifteenth (15th) day (whether or not a business day) prior to the giving of notice of redemption of bonds.

<u>SECTION 6.</u> <u>Mutilation, Loss, Theft or Destruction of Bonds</u>. In case any Bond shall at any time become mutilated in whole or in part, or be lost, stolen or destroyed, or be so defaced as to impair the value thereof to the owner, the County shall execute and the Registrar shall authenticate and deliver

at the principal office of the Registrar, or send by registered mail to the owner thereof at his request, risk and expense a new Bond of the same series, interest rate and maturity and of like tenor and effect in exchange or substitution for and upon the surrender for cancellation of such defaced, mutilated or partly destroyed Bond, or in lieu of or in substitution for such lost, stolen or destroyed Bond. In any such event the applicant for the issuance of a substitute Bond shall furnish the County and the Registrar evidence or proof satisfactory to the County and the Registrar of the loss, destruction, mutilation, defacement or theft of the original Bond, and of the ownership thereof, and also such security and indemnity in an amount as may be required by the laws of the State of South Carolina or such greater amount as may be required by the County and the Registrar. Any duplicate Bond issued under the provisions of this Section in exchange and substitution for any defaced, mutilated or partly destroyed Bond or in substitution for any allegedly lost, stolen or wholly destroyed Bond shall be entitled to the identical benefits under this Ordinance as was the original Bond in lieu of which such duplicate Bond is issued, and shall be entitled to equal and proportionate benefits with all the other Bonds of the same series issued hereunder.

All expenses necessary for the providing of any duplicate Bond shall be borne by the applicant therefor.

SECTION 7. Execution of Bonds. The Bonds shall be executed in the name of the County with the manual or facsimile signature of the Chairman of the County Council attested by the manual or facsimile signature of the Clerk to the County Council under a facsimile of the seal of the County impressed, imprinted or reproduced thereon; provided, however, the facsimile signatures appearing on the Bonds may be those of the officers who are in office on the date of enactment of this Ordinance. The execution of the Bonds in such fashion shall be valid and effectual, notwithstanding any subsequent change in such offices. The Bonds shall not be valid or become obligatory for any purpose unless there shall have been endorsed thereon a certificate of authentication. Each Bond shall bear a certificate of authentication manually executed by the Registrar in substantially the form set forth herein.

<u>SECTION 8</u>. Form of Bonds. The Bonds and the certificate of authentication shall be in substantially the form set forth in Exhibit A attached hereto and incorporated herein by reference.

<u>SECTION 9.</u> <u>Security for Bonds.</u> The full faith, credit, and taxing power of the County are hereby irrevocably pledged for the payment of the principal of and interest on the Bonds as they respectively mature, and for the creation of such sinking fund as may be necessary therefor. There shall be levied annually by the County Auditor and collected by the County Treasurer, in the same manner as other county taxes are levied and collected, a tax, without limit, on all taxable property in the County sufficient to pay the principal of and interest on the Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

The County Council shall give the County Auditor and County Treasurer written notice of the delivery of and payment for the Bonds and they are hereby directed to levy and collect annually, on all taxable property in the County, a tax, without limit, sufficient to pay the principal of and interest on the Bonds as they respectively mature and to create such sinking fund as may be necessary therefor.

SECTION 10. Notice of Public Hearing. The County Council hereby ratifies and approves the publication of a notice of public hearing regarding the Bonds and this Ordinance, such notice in substantially the form attached hereto as Exhibit B, having been published in *The Island Packet* and *The Beaufort Gazette*, newspapers of general circulation in the County, not less than 15 days prior to the date of such public hearing.

SECTION 11. Initiative and Referendum. The County Council hereby delegates to the County Administrator and/or his lawfully-authorized designee the authority to determine whether the Notice prescribed under the provisions of Section 5 of Title 11, Chapter 27 of the Code relating to the initiative and referendum provisions contained in Title 4, Chapter 9, Article 13 of the Code shall be given with respect to this Ordinance. If said Notice is given, the County Administrator and/or his lawfully-authorized designee are authorized to cause such Notice to be published in a newspaper of general circulation in the County, in substantially the form attached hereto as Exhibit C.

SECTION 12. Exemption from State Taxes. Both the principal of and interest on the Bonds shall be exempt, in accordance with the provisions of Section 12-2-50 of the Code of Laws of South Carolina 1976, as amended, from all State, county, municipal, County and all other taxes or assessments, except estate or other transfer taxes, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise.

SECTION 13. Tax Covenants. The County hereby covenants and agrees with the holders of the Bonds that it will not take any action which will, or fail to take any action which failure will, cause interest on the Bonds to become includable in the gross income of the holders of the Bonds for federal income tax purposes pursuant to the provisions of the Code and regulations promulgated thereunder in effect on the date of original issuance of the Bonds. The County further covenants and agrees with the holders of the Bonds that no use of the proceeds of the Bonds shall be made which, if such use had been reasonably expected on the date of issue of the Bonds would have caused the Bonds to be "arbitrage bonds," as defined in Section 148 of the Code, and to that end the County hereby shall:

- (a) comply with the applicable provisions of Sections 103 and 141 through 150 of the Code and any regulations promulgated thereunder so long as the Bonds are outstanding;
- (b) establish such funds, make such calculations and pay such amounts, in the manner and at the times required in order to comply with the requirements of the Code relating to required rebates of certain amounts to the United States; and
- (c) make such reports of such information at the time and places required by the Code.

SECTION 14. Book-Entry System. The Bonds initially issued (the "Initial Bonds") will be eligible securities for the purposes of the book-entry system of transfer maintained by The Depository Trust Company, New York, New York ("DTC"), and transfers of beneficial ownership of the Initial Bonds shall be made only through DTC and its participants in accordance with rules specified by DTC. Such beneficial ownership must be of \$5,000 principal amount of Bonds of the same maturity or any integral multiple of \$5,000.

The Initial Bonds shall be issued in fully-registered form, one Bond for each of the maturities of the Bonds, in the name of Cede & Co., as the nominee of DTC. When any principal of or interest on the Initial Bonds becomes due, the Paying Agent, on behalf of the County, shall transmit to DTC an amount equal to such installment of principal and interest. DTC shall remit such payments to the beneficial owners of the Bonds or their nominees in accordance with its rules and regulations.

Notices of redemption of the Initial Bonds or any portion thereof shall be sent to DTC in accordance with the provisions of the Ordinance.

If (a) DTC determines not to continue to act as securities depository for the Bonds, or (b) the County has advised DTC of its determination that DTC is incapable of discharging its duties, the County shall attempt to retain another qualified securities depository to replace DTC. Upon receipt by the County the Initial Bonds together with an assignment duly executed by DTC, the County shall execute and deliver to the successor securities depository Bonds of the same principal amount, interest rate, and maturity registered in the name of such successor.

If the County is unable to retain a qualified successor to DTC or the County has determined that it is in its best interest not to continue the book-entry system of transfer or that interests of the beneficial owners of the Bonds might be adversely affected if the book-entry system of transfer is continued (the County undertakes no obligation to make any investigation to determine the occurrence of any events that would permit it to make any such determination), and has made provision to so notify beneficial owners of the Bonds by mailing an appropriate notice to DTC, upon receipt by the County the Initial Bonds together with an assignment duly executed by DTC, the County shall execute, authenticate and deliver to the DTC participants Bonds in fully-registered form, in substantially the form set forth in Section 8 of this Ordinance in the denomination of \$5,000 or any integral multiple thereof.

Notwithstanding the foregoing, at the request of the purchaser, the Bonds will be issued as one single fully-registered bond and not issued through the book-entry system.

SECTION 15. Sale of Bonds, Form of Notice of Sale. The Bonds shall be offered for public sale on the date and at the time designated by the County Administrator and/or his lawfully-authorized designee. A Notice of Sale in substantially the form set forth as Exhibit D attached hereto and incorporated herein by reference shall be distributed to prospective bidders and a summary of such Notice of Sale shall be published in a newspaper of general circulation in the State of South Carolina and/or in a financial publication published in the City of New York not less than seven (7) days prior to the date set for such sale.

SECTION 16. Preliminary and Final Official Statement. The County Council hereby authorizes and directs the County Administrator and/or his lawfully-authorized designee to prepare, or cause to be prepared, a Preliminary Official Statement to be distributed to prospective purchasers of the Bonds together with the Notice of Sale. The County Council authorizes the County Administrator to designate the Preliminary Official Statement as "final" for purposes of Rule 15c2-12 of the Securities Exchange Commission. The County Administrator and/or his lawfully-authorized designee are further authorized to see to the completion of the final form of the Official Statement upon the sale of the Bonds so that it may be provided to the purchaser of the Bonds.

SECTION 17. Filings with Central Repository. In compliance with Section 11-1-85, South Carolina Code of Laws 1976, as amended, the County covenants that it will file or cause to be filed with a central repository for availability in the secondary bond market when requested: (a) a copy of the annual financial report of the County within thirty (30) days from the County's receipt thereof; and (b) within thirty (30) days of the occurrence thereof, relevant information of an event which adversely affects more than five (5%) percent of the revenues of the County or the County's tax base.

<u>SECTION 18.</u> <u>Continuing Disclosure</u>. In compliance with the Securities and Exchange Commission Rule 15c2-12 (the "Rule") the County covenants and agrees for the benefit of the holders from time to time of the Bonds to execute and deliver prior to closing, and to thereafter comply with the terms of a Disclosure Dissemination Agent Agreement in substantially the form appearing as Exhibit E

attached to this Ordinance. In the event of a failure of the County to comply with any of the provisions of the Disclosure Dissemination Agent Agreement, an event of default under this Ordinance shall not be deemed to have occurred. In such event, the sole remedy of any bondholder or beneficial owner shall be an action to compel performance by this Ordinance.

<u>SECTION 19.</u> <u>Deposit and Use of Proceeds.</u> The proceeds derived from the sale of the Bonds necessary to refund the Bonds to be Refunded shall be deposited with the Escrow Agent pursuant to the terms of the Refunding Trust Agreement. The remaining proceeds, if any, shall be deposited with the County Treasurer in a special fund to the credit of the County and shall be applied solely to the purposes for which the Bonds have been issued, including payment of costs of issuance of the Bonds.

SECTION 20. <u>Defeasance</u>. The obligations of the County under this Ordinance and the pledges, covenants and agreements of the County herein made or provided for, shall be fully discharged and satisfied as to any portion of the Bonds, and such Bond or Bonds shall no longer be deemed to be outstanding hereunder when:

- (a) such Bond or Bonds shall have been purchased by the County and surrendered to the County for cancellation or otherwise surrendered to the County or the Paying Agent and is canceled or subject to cancellation by the County or the Paying Agent; or
- (b) payment of the principal of and interest on such Bonds either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with a corporate trustee in trust and irrevocably set aside exclusively for such payment, (1) moneys sufficient to make such payment, or (2) Government Obligations (hereinafter defined) maturing as to principal and interest in such amounts and at such times as will ensure the availability of sufficient moneys to make such payment and all necessary and proper fees, compensation and expenses of the corporate trustee. At such time as the Bonds shall no longer be deemed to be outstanding hereunder, such Bonds shall cease to draw interest from the due date thereof and, except for the purposes of any such payment from such moneys or Government Obligations, shall no longer be secured by or entitled to the benefits of this Ordinance.

"Government Obligations" shall mean any of the following:

- (a) direct obligations of the United States of America or agencies thereof or obligations, the payment of principal or interest on which, in the opinion of the Attorney General of the United States, is fully and unconditionally guaranteed by the United States of America;
- (b) non-callable, U. S. Treasury Securities State and Local Government Series ("SLGS"); and
- (c) general obligation bonds of the State, its institutions, agencies, Countys and political subdivisions.

<u>SECTION 21. Written Procedures Related to Tax-Exempt Debt</u>. The Board hereby approves the Written Procedures Related to Tax-Exempt Debt attached hereto as Exhibit F.

SECTION 22. Miscellaneous. The County Council hereby authorizes the County Administrator, Chair of the County Council, the Clerk to the County Council and County Attorney to execute such documents and instruments as necessary to effect the issuance of the Bonds. The County Council hereby retains McNair Law Firm, P.A., as bond counsel and First SouthWest, as financial advisor in connection

with the issuance of the Bonds. The County Administrator is further authorized to execute such contracts, documents or engagement letters as may be necessary and appropriate to effectuate these engagements.

All rules, regulations, resolutions, and parts thereof, procedural or otherwise, in conflict herewith or the proceedings authorizing the issuance of the Bonds are, to the extent of such conflict, hereby repealed and this Ordinance shall take effect and be in full force from and after its enactment.

This notice will be filed with a cover sheet completed by the Disclosure Dissemination Agent in the form set forth in Exhibit C-2.

The parties hereto acknowledge that the Issuer is not obligated pursuant to the terms of this Disclosure Agreement to file any Voluntary Event Disclosure pursuant to Section 7(a) hereof or any Voluntary Financial Disclosure pursuant to Section 7(b) hereof.

Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information through the Disclosure Dissemination Agent using the means of dissemination set forth in this Disclosure Agreement or including any other information in any Annual Report, Audited Financial Statements, Notice Event notice, Failure to File Event notice, Voluntary Event Disclosure or Voluntary Financial Disclosure, in addition to that required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Report, Audited Financial Statements, Notice Event notice, Failure to File Event notice, Voluntary Event Disclosure or Voluntary Financial Disclosure in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report, Audited

Financial Statements, Notice Event notice, Failure to File Event notice, Voluntary Event Disclosure or Voluntary Financial Disclosure.

SECTION 8. <u>Termination of Reporting Obligation</u>. The obligations of the Issuer and the Disclosure Dissemination Agent under this Disclosure Agreement shall terminate with respect to the Bonds upon the legal defeasance, prior redemption or payment in full of all of the Bonds, when the Issuer is no longer an obligated person with respect to the Bonds, or upon delivery by the Disclosure Representative to the Disclosure Dissemination Agent of an opinion of counsel expert in federal securities laws to the effect that continuing disclosure is no longer required.

SECTION 9. <u>Disclosure Dissemination Agent</u>. The Issuer has appointed Digital Assurance Certification, L.L.C. as exclusive Disclosure Dissemination Agent under this Disclosure Agreement. The Issuer may, upon thirty days written notice to the Disclosure Dissemination Agent and the Trustee, replace or appoint a successor Disclosure Dissemination Agent. Upon termination of DAC's services as Disclosure Dissemination Agent, whether by notice of the Issuer or DAC, the Issuer agrees to appoint a successor Disclosure Dissemination Agent or, alternately, agrees to assume all responsibilities of Disclosure Dissemination Agent under this Disclosure Agreement for the benefit of the Holders of the Bonds. Notwithstanding any replacement or appointment of a successor, the Issuer shall remain liable until payment in full for any and all sums owed and payable to the Disclosure Dissemination Agent. The Disclosure Dissemination Agent may resign at any time by providing thirty days' prior written notice to the Issuer.

SECTION 10. Remedies in Event of Default. In the event of a failure of the Issuer or the Disclosure Dissemination Agent to comply with any provision of this Disclosure Agreement, the Holders' rights to enforce the provisions of this Agreement shall be limited solely to a right, by action in mandamus or for specific performance, to compel performance of the parties' obligation under this Disclosure Agreement. Any failure by a party to perform in accordance with this Disclosure Agreement shall not constitute a default on the Bonds or under any other document relating to the Bonds, and all rights and remedies shall be limited to those expressly stated herein.

SECTION 11. <u>Duties, Immunities and Liabilities of Disclosure Dissemination Agent.</u>

(a) The Disclosure Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement. The Disclosure Dissemination Agent's obligation to deliver the information at the times and with the contents described herein shall be limited to the extent the Issuer has provided such information to the Disclosure Dissemination Agent as required by this Disclosure Agreement. The Disclosure Dissemination Agent shall have no duty with respect to the content of any disclosures or notice made pursuant to the terms hereof. The Disclosure Dissemination Agent shall have no duty to determine, or liability for failing to determine, whether the Issuer has complied with this Disclosure Agreement. The reasonable fees and expenses of such counsel shall be payable by the Issuer.

(c) All documents, reports, notices, statements, information and other materials provided to the MSRB under this Agreement shall be provided in an electronic format and accompanied by identifying information as prescribed by the MSRB.

SECTION 12. <u>Amendment; Waiver.</u> Notwithstanding any other provision of this Disclosure Agreement, the Issuer and the Disclosure Dissemination Agent may amend this Disclosure Agreement and any provision of this Disclosure Agreement may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws acceptable to both the Issuer and the Disclosure Dissemination Agent to the effect that such amendment or waiver does not materially impair the interests of Holders of the Bonds and would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver had been effective on the date hereof but taking into account any subsequent change in or official interpretation of the Rule; provided neither the Issuer or the Disclosure Dissemination Agent shall be obligated to agree to any amendment modifying their respective duties or obligations without their consent thereto.

Notwithstanding the preceding paragraph, the Disclosure Dissemination Agent shall have the right to adopt amendments to this Disclosure Agreement necessary to comply with modifications to and interpretations of the provisions of the Rule as announced by the Securities and Exchange Commission from time to time by giving not less than 20 days written notice of the intent to do so together with a copy of the proposed amendment to the Issuer. BEAUFORT COUNTY, SOUTH CAROLINA

WRITTEN PROCEDURES Related to Tax-Exempt Debt

The Internal Revenue Code of 1986, as amended (the "Code") and the regulations promulgated thereunder (the "Regulations") impose certain requirements on tax-exempt bonds, including but not limited to, restrictions on the use of bond proceeds and bond-financed property, arbitrage yield restrictions, and the arbitrage rebate requirement. These requirements are generally applicable throughout the period that the bonds remain outstanding.

The September 2011 revision to the Form 8038-G, <u>Information Return for Tax Exempt Governmental Obligations</u> ("Form 8038-G") requires the issuer to represent whether it has established written procedures to (a) monitor the requirements of Section 148 of the Code, including, but not limited to, the arbitrage rebate and arbitrage yield restriction requirements; and (b) ensure that any nonqualified bonds (within the meaning of Section 1.148-12(j) of the Regulations) are remediated in accordance with the Code and the Regulations.

In addition to the above-described Form 8038-G representations, Beaufort County, South Carolina (the "County") has been advised that additional procedures are recommended in order for the County to document compliance with the applicable federal tax requirements. Actions pursuant to these procedures (collectively referred to as post-issuance tax compliance) are intended to assist the County in documenting compliance with the applicable federal tax requirements. Post-issuance tax compliance begins with the debt issuance process itself and includes a continuing focus on investments of bond proceeds and use of bond-financed property. Post issuance tax compliance requires identifying the responsible people and the applicable procedures.

References herein to a "bond" or to "bonds" shall apply to all forms of tax-exempt obligations including, but not limited to, lease/purchase agreements, bond anticipation notes, and tax anticipation notes.

Procedures

The County's Chief Financial Officer ("CFO") is designated as being responsible for post-issuance tax compliance. The CFO may delegate to his staff or contract with independent contractors (such as an arbitrage/rebate consultant or a consulting engineer) responsibility for different aspects of post-issuance tax compliance. For example, coordinating and documenting the expenditure of bond proceeds on projects may be delegated to the consulting engineer. However, the CFO will be ultimately responsible for implementing the procedures described herein.

The County recognizes that that the County has issued tax-exempt debt prior to the adoption of these procedures. With respect to this prior issued debt, the CFO will take reasonable steps to collect and maintain appropriate documentation of compliance with these procedures. However, the County recognizes that such documentation may not exist with respect to some of the items enumerated in these procedures.

Issuance – The CFO will:

- (a) Confirm the filing of the Form 8038 or Form 8038-G (or applicable successor form) with Internal Revenue Service ("IRS"). Filing of the applicable Form 8038 is usually overseen by bond counsel at or soon after the closing of a bond issue.
- (b) Obtain and store the Transcript of Proceedings prepared by bond counsel (which typically includes the applicable Form 8038 and the Federal Tax Certificate containing the County's expectations as of the date of issuance of the bond issue).

Recordkeeping – The CFO will:

- (a) Establish a plan for keeping relevant books and records as to the investment and the expenditure of bond proceeds.
- (b) Keep accurate records including:
 - Basic records relating to the bond transactions (including the trust indenture, loan agreements, and bond counsel opinion; see Transcript of Proceeding, above);
 - Documentation evidencing the expenditure of bond proceeds;
 - Documentation evidencing use of bond-financed property by public and private users (i.e., copies of management contracts, material power purchase contracts);
 - Documentation evidencing all sources of payment or security for the bonds; and
 - Documentation pertaining to any investment of bond proceeds (including the purchase and sale of securities, SLGS subscriptions, yield calculations for each class of investments, actual investment income received from the investment of proceeds, guaranteed investment contracts, and rebate calculations).
- (c) Keep all records in a manner that ensures their complete access to the IRS so long as they are material. While this is typically accomplished through the maintenance of hard copies, records may be kept in an electronic format if certain requirements are satisfied, in accordance with the guidelines in Revenue Procedure 97-22, 1997-1 C.B. 652.
- (d) Keep the relevant records for each issue of bonds for as long as such issue of bonds is outstanding (including any bonds issued to refund such issue of bonds) plus three years after the final redemption date of the bonds.

Arbitrage Rebate and Arbitrage Yield Restriction – The CFO will:

- (a) Engage the services of an arbitrage/rebate consultant for assistance in compliance with arbitrage related issues. As of the date of the adoption of these procedures, the County has retained AMTEC Compliance as its arbitrage/rebate consultant.
- (b) Work with the County's bond counsel, financial advisor and/or arbitrage/rebate consultant to monitor compliance with "temporary period exceptions" for expenditure of bond proceeds, typically three years for new money bonds, and provide for yield restriction of investments or "yield reduction payments" if exceptions are not satisfied.
- (c) Work with the County's bond counsel and financial advisor to ensure investments acquired with bond proceeds are purchased at fair market value. This may include use of bidding procedures under the regulatory safe harbor (Section 1.148-5(d) of the Regulations).

- (d) Consult with the County's bond counsel prior to the creation of funds which would reasonably be expected to be used to pay debt service on tax-exempt bonds to determine in advance whether such funds must be invested at a restricted yield (i.e., yield restricted).
- (e) Consult with the County's bond counsel and financial advisor before engaging in post-issuance credit enhancement transactions (e.g., bond insurance, letter of credit) or hedging transactions (e.g., interest rate swap, cap).
- (f) Consult with the County's bond counsel, financial advisor, and/or arbitrage/rebate consultant to identify situations in which compliance with applicable yield restrictions depends upon subsequent investments (e.g., purchase of 0% SLGS from U.S. Treasury) and monitor implementation.
- (g) Work with the County's arbitrage/rebate consultant to arrange for timely computation of rebate/yield reduction payment liability and, if an amount is payable, for timely filing of Form 8038-T, <u>Arbitrage Rebate</u>, <u>Yield Reduction and Penalty in Lieu of Arbitrage Rebate</u> (or applicable successor form), and payment of such liability. Rebate/Yield Reduction payments are ordinarily due at 5-year intervals.

Private Use of Bond-Financed Facilities - The CFO will:

- (a) Create and maintain records of which proceeds of bond issues were used to finance which facilities. These records shall incorporate the refunding or partial refunding of any bond issues.
- (b) Record the allocation of bond proceeds to expenditures, including reimbursements. These records will be consistent with the expenditures used for arbitrage purposes.
- (c) Record the allocation of bond proceeds and funds from other sources in connection with any bond funded project. Review expenditure of bond proceeds with bond counsel and/or consulting engineer to ensure bond proceeds are used for qualifying costs.
- (d) Review with bond counsel prior to the sale or lease of a bond-financed facility, or the granting of a license or management contract, or any other arrangement allowing private use of a bond financed facility, the terms of such arrangement.
- (e) Keep records of private use, if any, of bond-financed facilities to monitor the amount of private use of bond-financed facilities. Relevant to the County, private use generally includes: use of the proceeds of bonds or bond-financed facilities in any activity by a person or organization that is not (a) a state or local government; or (b) a natural person. Notwithstanding the preceding sentence, private business use generally does not include: (a) use as a member of the general public pursuant to arrangements with a term of less than 200 days; and (b) use by a nongovernmental person pursuant to an arrangement with a term of less than 50 days that is a result of arms-length negotiations and compensation payable under the arrangement is not less than fair market value.
- (f) Private use of bond-financed facilities shall be reviewed once a year (in connection with the preparation of the annual financial statements). If private use occurs, bond counsel will be consulted to determine if remedial action is necessary (including but not included to, the remediation of all non-qualified bonds in accordance with Section 1.14-12 of the Regulations).

Reissuance – The CFO will:

- (a) Consult with bond counsel to identify any post-issuance modification to the terms of bonds which could be treated as a current refunding of "old" bonds by "new" bonds, often referred to as a "reissuance."
- (b) Consult with bond counsel to determine whether any "remedial action" (see item (f) under "Private Use of Bond-Financed Facilities" above) in connection with private use must be treated as a "reissuance."

DATE:

June 21, 2012

BACKGROUND: The Purchasing Department received a sole source request from the Broadcast Services Department requesting to purchase Audio/Visual equipment and services from a sole source vendor in support of the St. Helena Library project. Purchasing reviewed the request and concurs that Stagefront Presentation Systems, Savannah, Georgia is the only vendor capable of meeting the scope of work, certification, and delivery requirements for the project. Note, this project requires a short installation and delivery schedule by certified Creston Controller installers. The deadline for equipment delivery and installation is August 9, 2012. With this in mind, availability of qualified vendors located within 4 hours of the new library was limited to three vendors. See the attached list of contacts. The three vendors were contacted by Dave Thomas, Purchasing Director and Scott Grooms, Director of Broadcast Services to request price quotes and verify qualifications. The scope of work and requirements were discussed with each vendor and price quotes were requested. As of June 21, 2012, Stagefront was the only vendor who responded. The other two vendors (Clark Powell, Columbia, SC and WH Platts, North Charleston, SC) declined to provide a quote based on availability and the certifications requirements.

Subject: Non-Competitive Purchase for the St. Helena Branch Library

Date: June 21, 2012

I am requesting approval for a non-competitive purchase for goods and services for the new Audio/Visual equipment in support off the St. Helena Branch Library project. Stagefront Presentations Systems is the only vendor of the ones contacted that can successfully meet the installation deadline of early August, provide the equipment required, and have the certifications in place to install the project.

A total of three A/V Suppliers were contacted, (See contact list on page 1) in order to seek proposals and to check qualifications for providing the scope of work and equipment. As a result, none of the vendors, except for Stagefront Presentations Systems were able to meet all of the requirements.

Furthermore, with the Crestron Controller being the major component in both meeting rooms, it is essential to have a certified installer/programmer within four hours travel time to our site, to prevent any technical interruption of a meeting or event. Stagefront Presentation Systems is the only vendor in the area that has a certified installer/programmer on staff to meet this qualification.

The total cost of the A/V project for the library is \$117,000. This is available in the library budget, Account Number # 11436-54420, St. Helena Library.

Supplemental Agreement for St. Helena Branch Library - RFID Library System

DATE:

June 18, 2012

BACKGROUND: On November 29, 2010, County Council awarded an initial contract to ITG totaling \$970,711 for the Radio Frequency Identification System (RFID) equipment and services for the Beaufort, Bluffton, Hilton Head, Lobeco and St. Helena Libraries. The RFID equipment and services for the initial contract for the new St. Helena Library was funded by Lady Island/St. Helena Library Impact Fees. Since November 2010 when the County entered into a contract with ITG for the RFID system, ITG has been purchased by Bibliotheca, a global firm.

Choate Construction Company was awarded the St. Helena Library construction contract at the August 8, 2011 County Council Meeting in the amount of \$7,322,403.00 with a total overall budget of \$11.1 million. The project budget is funded by \$1.1 million dollars of impact fees, \$8.5 million dollars of a USDA Grant/Loan package and \$1.5 million dollar CDBG grant.

When the contract for the RFID system was awarded, the St. Helena Branch Library was under development as a two-story facility with provisions for the RFID system. As the development of the design progressed, the facility became a single story building resulting in changes to the intended RFID system. An allowance of \$213,000.00 was established in the St. Helena Branch Library's budget for the anticipated redesign cost. The actual cost to redesign the RFID system is \$146,113.30.

RECOMMENDATION: The Finance Committee approve and recommend to County Council approval of a supplemental agreement to ITG/Bibliotheca in the amount of \$146,113.30 for the RFID system for the St. Helena Branch Library to be funded from project's approved budget.

General Fund Balance Policy Proposal

DATE:

April 30, 2012

BACKGROUND:

Beaufort County is required to adopt Governmental Accounting Standards Board (GASB) Statement 54, Fund Balance Reporting and Governmental Fund Type Definitions. These policies dictate that each governing body adopt a fund balance policy for all funds. Beaufort County Council during its last annual retreat established this item as a top fiscal priority.

RECOMMENDATION:

Beaufort County will strive to maintain an average of five (5) months of total General Fund expenditures in its unassigned fund balance at June 30 of every year*. It will take the County several years to build up this balance, which equates to approximately \$40.2 million**.

Beaufort County shall not allow its unassigned General Fund balance to fall below an average of 1.5 months worth of total General Fund expenditures at June 30 of every year. This figure is approximately \$12.1 million**.

These recommendations can be achieved/maintained by Beaufort County by not utilizing the General Fund balance (except in times of emergency) in any fiscal year. Beaufort County will monitor non-spendable, restricted, committed, and assigned balances within the General Fund to ensure these balances do not increase at the expense of the unassigned balance.

NOTES/RATIONALE:

Per GASB 45, unassigned fund balances are considered liquid assets (cash, investments that mature within 1 year, and receivables that are to be collected in less than 1 year) that are not restricted for any specific purpose (i.e. they can be utilized in any way the County sees fit in the course of its business).

- * This will allow the County to maintain enough cash on-hand to ensure that the General Fund balance would not decline to less than \$0 prior to tax bills being mailed out in November of every year. As a result, the County will not have cash flow issues in August through November (when County cash reserves are at their lowest levels) related to operating payments and reduce the County's risk of needing temporary financing to bridge the gaps to every tax billing (the use of tax anticipation notes (TANs)).
- ** These figures change every year and will correspond to audited comprehensive annual financial reports (CAFRs). 1 month's expenditures are calculated by adding the total General Fund expenditures plus transfers out then dividing that number by 12.

FROM: Paul Andres, Director of Airports PA

SUBJ: Aircraft Hangar Rental Rates

DATE: May 25, 2012

BACKGROUND. The Airports Board has previously been asked to recommend any changes in hangar rental rates at both the Hilton Head Island and Lady's Island Airports. Last year, the hangar rental rates were increased 5% at both airports. The following monthly rental rates are currently in effect:

	Type	Current Rent
Hilton Head Island Airport	T-hangar	\$ 399.00
	52x60	\$ 1,185.00
	80x80	\$ 2,431.00
Lady's Island Airport	T-hangar	\$ 265.00

The Hilton Head Island Airport hangars generate a total of \$172,380.00 in annual rental income. Subtracting the debt service (\$126,535.00), 15% FBO management fee (\$25,857.00), and annual O&M costs (\$10,000.00) results in a positive cash flow of \$9,988.00.

Because of relatively short waiting lists, comparable rates being charged at similar surrounding airports, and positive cash flows; the Airports Board voted 8:1 at their May 17, 2012 meeting to recommend no increase in hangar rents at either airport for the next fiscal year.

RECOMMENDATION. The Beaufort County Airports Board recommends that the Finance Committee approve keeping the same hangar rental rates at both airports as is currently being charged for the next fiscal year.
