CHEROKEE FARMS

BEAUFORT COUNTY, SOUTH CAROLINA

_____, 2014

BURTON DEVELOPMENT, LLC

STATE OF SOUTH CAROLINA)
)
COUNTY OF BEAUFORT)

DEVELOPMENT AGREEMENT
FOR CHEROKEE FARMS

This Development Agreement (the “**Development Agreement**” or the “**Agreement**”) is made and entered into this _____ day of _____, 2014 (the “**Effective Date**”), by and between Cherokee Beaufort, LLC, a South Carolina limited liability company (hereinafter sometimes referred to as “**Cherokee Beaufort**”), Burton Development, LLC, a South Carolina limited liability company (hereinafter sometimes referred to as “**Burton Development**” or “**Developer**”), and the governmental authority of the County of Beaufort, South Carolina (“**Beaufort County**” or the “**County**”).

WHEREAS, the legislature of the State of South Carolina has enacted the South Carolina Local Government Development Agreement Act (the “**Act**”) as set forth in Section 6-31-10 through Section 6-31-160 of the South Carolina Code of Laws (1976), as amended; and

WHEREAS, the Act recognized that “The lack of certainty in the approval of development can result in a waste of economic and land resources, can discourage sound capital improvement planning and financing, can cause the cost of housing and development to escalate, and can discourage commitment to comprehensive planning.” (Section 6-31-10(BB)(1) of the Act); and

WHEREAS, the Act also states: “Development Agreements will encourage the vesting of property rights by protecting such rights from the effect of subsequently enacted local legislation or from the effects of changing policies and procedures of local government agencies which may conflict with any term or provision of the Development Agreement or in any way hinder, restrict, or prevent the development of the project. Development Agreements will provide a reasonable certainty as to the lawful requirements that must be met in protecting vested property rights, while maintaining the authority and duty of government to enforce laws and regulations which promote the public safety, health and general welfare of the citizens of our State”. (Section 6-31-10 (B)(6)); and

WHEREAS, the Act further authorizes local governments, including counties, to enter into development agreements with developers to accomplish these and other goals as set forth in Section 6-31-10; and

WHEREAS, Cherokee Beaufort owns two (2) adjacent tracts of land, each as more particularly described in Exhibit “A”, which is attached hereto and made a part hereof, which together consist of approximately 105 acres, more or less (collectively referred to as the “**Property**”), and Cherokee Beaufort has entered into a joint venture agreement with Cherokee Investments, which joint venture agreement resulted in the formation of Burton Development to serve as master developer for the Property (hereinafter, “**Owner**” or “**Developer**” shall refer collectively to Cherokee Farms, Cherokee Investments, and Burton Development, unless the context requires otherwise). The Owner proposes to sell, develop, or cause to be developed, a mixture of residential, commercial and/or other uses on the Property as more particularly described in this Agreement; and

WHEREAS, in February 2004, Cherokee Investments submitted a development agreement to the County in which certain matters, including traffic mitigation and Air Installations Compatible Use Zone (“**AICUZ**”) application to the Property, were initially addressed (the “**2004 Draft Agreement**”); and

WHEREAS, the 2004 Draft Agreement was held in abeyance while certain matters were addressed, including: matters arising from revised impact traffic mitigation studies; the amendment of the

planned unit development adjacent to the south of the Property and known as Habersham (hereinafter “**Habersham**” or the “**Habersham PUD**”), which amendment included additional property in the planned unit development while the Property was re-zoned to a Suburban zoning district; discussions with Beaufort County regarding designing the Property in the same manner or in a similar manner as Habersham; discussions and negotiations regarding the need for the submission of a planned unit development rather than re-zoning to a Suburban zoning district; and, various other related matters; and

WHEREAS, to better adhere to the aesthetic quality, connectivity and continuity between the Property and the adjacent Habersham PUD, Cherokee Investments has developed and submitted to the County a Unified Development Plan (the “**Unified Development Plan**”), attached hereto as Exhibit “B”, for the Habersham PUD and the Property (collectively hereinafter sometimes referred to as the “**Unified Development**”), which was approved by the County on October 30, 2013; and

WHEREAS, the County acknowledges and agrees that in the area of the Property, the character of the land: supports the development proposed by the Unified Development Plan; furthers the objectives of the Beaufort County Comprehensive Land Use Plan; increases the number of available lots; creates affordable housing opportunities for its citizens; improves traffic conditions; and, secures for its citizens a quality, well-planned and well-designed real estate development, while also increasing the County’s tax base; and

WHEREAS, the Development of the Property results in the imposition of certain impact fees (collectively, and not intending to be limiting, hereinafter “**Impact Fees**”) in accordance with applicable County ordinances and state law; and

WHEREAS, the County finds that the Owner’s proposed development of the Property, as described in this Development Agreement and in the Unified Development Plan, is consistent with Beaufort County’s Comprehensive Land Use Plan and will further the health, safety, welfare and economic well-being of the County and its citizens; and

WHEREAS, Owner has proposed the construction of certain road infrastructure on and off the Property and has agreed to the dedication thereof to the County; and

WHEREAS, the proposed Development of the Property presents the County with an exceptional opportunity to receive public road system improvements; secures quality planning and a well-designed and constructed mixed use real estate development; enhanced protection of the environment; and, a strengthened and revitalized tax base; and,

WHEREAS, this Development Agreement is being made and entered into between the Owner and the County under the terms of the Act for the purpose of providing assurances to the Owner so that the Owner may proceed with Development of the Property according to the terms of this Agreement and as depicted in the Unified Development Plan without encountering future changes in law that may materially affect the Owner’s ability to develop the Property according to the terms of this Development Agreement and as depicted in the Unified Development Plan.

NOW, THEREFORE, in consideration of the terms and conditions set forth herein, and other good and valuable consideration, including the potential economic benefits to both the County and the Owner by entering this Agreement, and to encourage well-planned development by Owner, the receipt and sufficiency of such consideration being hereby acknowledged, the County and Owner hereby agree as follows:

The County shall not be responsible for any construction, treatment, maintenance or costs associated with water service to the Property, except as set forth herein, unless it otherwise agrees. Nothing herein shall be construed as precluding the County or other local governmental entity from providing potable water to its residents in accordance with applicable provisions of law.

C. Sewage Treatment and Disposal. Sewage treatment and disposal shall be provided by BJWSA on the same basis as is provided to other residents and businesses within the County. Each Owner or Developer shall construct, or cause to be constructed, all necessary sewer-related service infrastructure within the Property (or such applicable portion thereof), which shall be maintained by it or the provider of the service. The County shall not be responsible for any treatment, maintenance or costs associated with sewage treatment within the Property, except as set forth herein, unless it otherwise agrees. D. Stormwater Drainage System. All stormwater runoff and drainage improvements within the Property shall be designed in accordance with the ZDSO and the most current edition available of the Beaufort County Best Management Practices manual, and best efforts shall be made to coordinate such stormwater runoff and drainage systems with the County’s master drainage program. All stormwater runoff and drainage system improvements shall be constructed by the Owner or Developer and maintained by the Owner, Developer and/or an Owners Association, except as otherwise contained herein. The County shall not be responsible for any construction or maintenance costs associated with the stormwater runoff and drainage systems solely within the Property, unless proper dedications and easements are granted in accordance with the ZDSO.

E. Solid Waste Collection. The County shall provide solid waste collection to the Property on the same basis as it provides to other residents and businesses within the County. The Owner acknowledges that the County does not currently provide waste disposal on an individual basis for single, multi-family or commercial developments or uses.

No portion of the Property is located within any aircraft accident potential zone, as defined therein. In order to minimize the intrusion of noise into the proposed homes, Owner agrees that homes constructed within AICUZ Noise Zone 2A shall include construction measures, which should result in a 25db reduction of noise. Owner shall also notify any prospective purchaser of a property or lot within AICUZ Noise Zone 2A to comply with the notification requirements of Appendix A1, Section 4 of the ZDSO.

IX. FEES, DEDICATIONS, SYSTEM IMPROVEMENTS, CONVEYANCES, CREDITS AND RELATED AGREEMENTS

The following items are hereby agreed upon by the parties:

B. Dedications.

(a) Permissive. Except as otherwise contained herein, the County shall consider all requests to accept the dedication of any road or road right-of-way within the Property constructed to the standards contained in the Cherokee Farms Conceptual Master Plan approved on [REDACTED] (the "Cherokee Farms Conceptual Master Plan") or to the specific requirements

of the County contained in this Agreement. The County shall also consider a request to take ownership of any drainage systems by dedication.

(b) No Implied Dedication. The recording of a final plat or a plan subdividing any portion of the Property shall not constitute an offer to deed or dedicate any or all streets and rights-of-way shown thereon to the County, unless the plat or plan specifically and expressly makes such an offer, which offer is accepted by the County.

C. System Improvements. Beaufort County's Capital Improvement Program includes future improvements to Joe Frazier Road to accommodate new development; and Impact Fees are the major revenue source for costs incurred by the County for such improvements. As depicted in the Unified Development Plan, the Owner has proposed and obtained the design and engineering of a round-a-bout to access the Property directly from Joe Frazier Road. The engineering plans for the round-a-bout, prepared by Davis & Floyd, Inc., are attached hereto as Exhibit "D" (the "Joe Frazier Road Round-a-bout"). The Joe Frazier Road Round-a-bout also benefits Burton Wells Park by providing an improved entrance, an adjacent fire station, and other nearby residential developments. Also as depicted in the Unified Development Plan, the Property is accessed by Cherokee Farms Road (S-83). Owner shall improve Cherokee Farms Road with the addition of on-street parking, street landscaping and trees, and such improvements shall be constructed in accordance with the standards contained in the Cherokee Farms Conceptual Master Plan. All such improvements (the "Cherokee Farms Road Improvements") shall adhere to applicable road and right-of-way construction standards. To the extent that all or any portion of Cherokee Farms Road is not owned by the County or the State of South Carolina, the same shall be dedicated to and accepted by the County.

D. Credit for System Improvements. The County agrees that the Owner or Developer shall receive a credit for Impact Fees against the cost of and up to the total value of the Joe Frazier Road Round-a-bout, the intersection realignment and the Cherokee Farms Road Improvements (herein collectively the "System Improvements"). The total value of the System Improvements shall equal the cost of the design, engineering and planning of the System Improvements submitted to the County by the Owner. In the event the information submitted is deemed by the County to be inaccurate or unreliable, the County may prepare and provide to Owner or Developer alternative design, engineering and planning cost estimates. If the alternative cost estimates are deemed by the Owner to be inaccurate or unreliable, a third party shall be hired at the shared expense of the Owner and the County to develop cost estimates.

E. Access. The Owner agrees to cooperate with the appropriate governmental entities in locating and dedicating to the County, or its assigns, sufficient rights-of-way on the Property, in order to construct the access point improvements as depicted in the Unified Development Plan.

F. Other Charges or Fees. Nothing herein shall be construed as relieving the Owner, its successors and assigns, from payment of any such fees or charges in effect at the time of collection as may be assessed by entities other than the County. Moreover, the Owner, its successors and assigns, shall be subject to the payment of any and all present or future fees enacted by the County that are of County-wide application and that relate to processing applications, development permits, building permits, review of plans, or inspections or other matters, other than Development Impact Fees.

G. Service Districts. Nothing in this Agreement shall be construed to prevent the establishment by the County of a tax increment or other district on the Property in accordance with applicable provisions of the Code of Law of South Carolina, 1976, as amended.

H. Landscaping. The Owner or Developer shall, at its own expense, install landscaping as generally depicted in the “Joe Frazier Road Round-a-bout Landscape Plan” attached hereto as Exhibit “F”. The Owner, its successors and assigns shall be responsible for and shall maintain landscaping of both the Joe Frazier Road Round-a-bout and the intersection realignment.

X. PERMITTING PROCEDURES

A. Development Applications for the individual parcels or tracts, or portions or phases thereof, shall be submitted to the DRT for processing under the provisions of this Agreement. It is acknowledged that the Property is anticipated to be developed in multiple phases which includes the Development of one (1) block of the Property at a time, in order to provide the Owner or Developer flexibility to meet market demands. Developer has conducted traffic studies and created a master plan for the entire Property. Separate traffic studies shall not be required for individual residential phases of Development. Development Rights to the land encompassed by an Initial Development Application or master plan may be transferred to any other portion of the Property, or to another Developer of the Property, provided that such does not increase the proposed ranges of densities and intensities beyond that which would otherwise be allowed under the provisions of this Agreement. Such transfer of Development Rights shall require written notice to the County and written acknowledgment by the DRT, as set forth below, and which shall not be unreasonably withheld. The Unified Development Plan, which generally allocates building types, may be modified to accommodate market conditions, subject to the overall density and use maximums set forth in the ZDSO and in this Agreement.

B. The County agrees that the Owner shall have the unlimited right to phase the Development of the Property in accordance with the Development Schedule.

C. The County agrees to use its best efforts to review in an expeditious manner all reviews contemplated by or required by the ZDSO, including but not limited to land use changes, Development applications, and plats and subdivisions for the Development of the Property. The Owner may submit these items for concurrent review by Beaufort County and other governmental authorities.

D. The County agrees that the Property is approved and fully vested for intensity, commercial density, Impact Fees, uses and height, setbacks, and parking and signage, and shall not have any obligations for onsite or offsite transportation or other facilities or improvements other than as specifically provided in this Agreement, but shall adhere to the Unified Development Plan as modified or amended from time to time. The County shall not impose additional obligations or regulations in connection with the ownership or Development of the Property, except in accordance with the procedures and provisions of Section 6-31-80 (B) of the Act, which Owner shall have the right to challenge.

XI. PROTECTION OF ENVIRONMENT AND QUALITY OF LIFE

Contained herein are those conditions, terms, restrictions or other requirements determined to be necessary by the County for the public health, safety and welfare of its citizens. Specifically, the County considers the protection of the natural environment and nearby waters and the preservation of Beaufort County’s character and unique identity to be mandatory goals and to be achieved without compromise. The Owner shares this commitment and therefore agrees to the following:

A. Stormwater Quality. A primary goal of the County is the protection of the quality of nearby waters. The Owner and Developer shall be required to abide by all provisions of Federal, State and County laws and regulations for the handling of stormwater, including those established by the Department of Health and Environmental Control, the Office of Ocean and Coastal Resource Management, and their successors. In order to protect water quality of the rivers, the Owner

agrees to prepare a master plan of the stormwater drainage systems , as defined in the ZDSO for all or any portion of the Property, for each Initial Development Application; to construct stormwater drainage systems in accordance with the approved master plan; and, to maintain the stormwater drainage systems ensuring proper operation and function. In order to meet the water quality and anti-degradation goals which are impacted by the amount of impervious surfaces, the Owner, its successors and assigns commit to design stormwater management systems in accordance with the County's current Best Management Practices ("BMP's"). Further, Owner agrees to provide BMP's for pre-treatment, including supplemental open space (in accordance with the most current edition available of the Beaufort County Storm Water Best Management Practices manual, required by engineering design and calculations. In addition to the water quality safeguards committed to above by the Owner, notwithstanding Article IX hereof, the Owner and Developer shall adhere to any and all future ordinances or regulations of the County (or portions thereof) governing detention, filtration, and treatment of stormwater provided those ordinances and regulations apply County-wide and are consistent with sound engineering practices. It is specifically agreed, however, that any such ordinances of the County that directly or indirectly affect the setback, buffer or open space requirements permitted pursuant to the ZDSO and/or this Agreement shall not be applicable to the Owner, the Developer and the Property without the Owner's and Developer's express written consent thereto; provided, however, that open space requirements may be modified as a result of specific implementation requirements for future stormwater management BMP's related to detention and treatment of stormwater that are applicable County-wide and are consistent with sound engineering practices, unless such change in requirements is less than twenty percent (20%) and the appropriate increase in density/intensity is granted by the County to provide for no net loss of density or space.

B. Covenants. The Owner may record restrictive real property covenants that run with the Property that shall govern such matters as architectural control, permitted uses, setbacks, landscaping, trees, exterior lighting, pets and wildlife, maintenance of common areas or open space, and which shall specifically prohibit unsightly activities. The provisions of the covenants for portions of the Property may differ from the covenants applicable to the other portions of the Property.

C. Tree Protection. Except for lands used for silviculture, if any, which shall be controlled by State regulations and Beaufort County's BMP's, Owner, its successors and assigns, including the Developer, shall comply with the provisions of ZDSO appertaining to trees.

D. Legal Status of Workers. The Owner and the County recognize the importance of having legal workers undertake construction and other work on the Property only. Provided such is lawful, the Owner agrees to supplement current County and State laws by requiring all contractors and subcontractors to sign sworn affidavits stating that: (i) all workers in its employ have been verified as to legal status; and, (ii) that to the best of its knowledge, after reasonable diligence, the contractor and subcontractor has verified such legal status. Additionally, provided such is lawful, construction sites shall be posted with notices providing legal status requirements and providing that verification of status may be demanded on the construction site at any time by the Owner, Developer, secondary Developers and/or the County. Any provision of this Section D may be altered with consent of the County Administrator to reflect evolving legal and policy decisions on this subject without formal amendment hereto.

XII. COMPLIANCE REVIEWS

Pursuant to the requirements of Section 6-31-90 of the Act, the Owner or its designee(s), shall meet with the County or its designee, at least once per year during the Term, to review Development completed in the prior year and the Development anticipated to be commenced or completed in the ensuing year. The Owner or its designee(s) shall be required to provide such information as may reasonably be requested, to include but not be limited to: acreage of the Property sold in the prior year; acreage of the Property under contract; the number of certificates of occupancy issued in the prior year,

the number of certificates of occupancy anticipated to be issued in the ensuing year; the Development Rights transferred in the prior year; and, the Development Rights anticipated to be transferred in the ensuing year. The Owner or its designee(s) shall be required to compile this information for its respective Development and that of its Developer.

XIII. ASSIGNMENT AND TRANSFERS

A. Notice of Assignment. Owner shall be required to notify Beaufort County, in writing, as and when Development Rights are transferred to any Developer or successor Owner. Such information shall include the identity and address of the acquiring party, a proper contact individual, and the location and number of acres of the Property for which Development Rights are being transferred. Developers transferring Development Rights to any other party shall be subject to this requirement of notification.

B. Release After Assignment. In the event that the sale or other conveyance of all or a portion of the Property has been deemed to be compliant with this Agreement, the transferring Owner shall be released from any further obligations with respect to the Property being transferred, and the transferee shall, under this Agreement, be considered to be a substitute for the Owner for the Property transferred.

C. Variances. It is acknowledged that nothing in this Agreement shall be deemed or construed to affect the right of any person to seek a variance from those provisions of the ZDSO that are in accordance with applicable state and local laws in effect at the time of the variance application.

XIV. EFFECT OF FUTURE LAWS AND CHANGES TO THE ZDSO

A. Vested Rights. Beaufort County acknowledges that the Owner and Developer are relying upon this Agreement, and agrees that Owner and Developer shall have vested rights to undertake Development of all or any portion of the Property, as depicted in the Unified Development Plan and in accordance with the terms and conditions contained herein. Accordingly, Beaufort County agrees that the Owner's and Developer's reliance upon the terms and conditions contained herein shall create vested rights to undertake Development of all or any portion of the Property in accordance with this Development Agreement.

B. Future Laws. Any amendment or modification to the ZDSO, including any new or successor zoning and development standards ordinances adopted by Beaufort County, shall not be applicable to the Property without the Owner's express prior written consent, except as otherwise provided herein, provided that Beaufort County may apply such subsequently adopted laws to the Development if it holds a public hearing and it is determined that the subsequently adopted laws: (a) are not in conflict with laws governing this Agreement and do not prevent the Development contemplated in this Agreement; (b) are essential to public health, safety or welfare, and the subsequently adopted laws expressly state that they apply to the Development of the Property; and, (c) are specifically anticipated and provided for in the Development Agreement; and provided that: (i) Beaufort County demonstrates that substantial changes have occurred to pertinent conditions regarding the Property existing as of the Effective Date; and, if not addressed by Beaufort County, such conditions would pose a serious risk to the health, safety and welfare of its citizens; or (ii) the Development Agreement is based on substantially inaccurate information supplied by Owner. Beaufort County also acknowledges that a portion of the Property is located within AICUZ Noise Zone 2A and that boundaries and restrictions may change for AICUZ noise zones, but agrees that changes to any AICUZ noise zone shall not be considered a threat to the health, safety or welfare of the citizens within the Property.

C. **Future Laws of General Application.** The parties specifically acknowledge that this Agreement shall not prohibit the application of any present standard codes or future codes in compliance with Section 6-31-160 of the Act, or any tax or fee of general application throughout the County. No future development and/or aid to construction, Impact Fees or special assessments shall apply to the Property without the written consent of the Owner.

XV. DEFAULTS

The failure of the Owner, Developer or County to comply with the terms of this Agreement shall constitute a default, entitling the non-defaulting party to pursue such remedies as deemed appropriate, including specific performance and the termination of this Development Agreement in accordance with the Act; provided, however, that no termination of this Development Agreement may be declared by the County without the County providing to the Owner and Developer the notice, hearing and opportunity to cure in accordance with the Act; and provided further that nothing herein shall be deemed or construed to preclude the County or its designee from issuing individual stop work orders or voiding specific permits issued for Development when such Development contravenes the provisions of the ZDSO or this Development Agreement.

A default of the Owner shall not constitute a default by the Developer; and a default by the Developer shall not constitute a default by the Owner; nor shall a default by one Owner or Developer constitute a default of the Owners collectively.

XVI. MODIFICATION OF AGREEMENT

This Development Agreement may be modified or amended only by the written agreement of the County and the Owner. No statement, action or agreement hereafter made shall be effective to change, amend, waive, modify, discharge, terminate or effect an abandonment of this Agreement in whole or in part unless such statement, action or agreement is in writing and signed by the party against whom such change, amendment, waiver, modification, discharge, termination or abandonment is sought to be enforced.

If an amendment affects less than all the persons and entities comprising the Owner(s), then only the County and those affected persons or entities shall sign such written amendment. Because this Agreement constitutes the Unified Development Plan for the Property, minor modifications to a site plan or to Development provisions may be made without a public hearing or amendment to the Development Agreement Ordinance. Any requirement of this Agreement requiring consent or approval of one of the parties shall not require amendment of this Agreement unless the text expressly requires amendment. Wherever said consent or approval is required, the same shall not be unreasonably withheld.

The plans for Development of the Property are not intended to be a rigid, nor exact. The location of roads, buildings, recreational amenities and other elements may vary at the time of permit applications when more specific designs are available, as long as the maximum densities set forth herein and the general concept of residential/commercial Developments suggested is followed and respected.

XVIII. GENERAL

A. Subsequent Laws. In the event that State or Federal laws or regulations are enacted after the execution of this Development Agreement or decisions are issued by a Court of competent jurisdiction which prevent or preclude compliance with the Act or one or more provisions of this Agreement (“New Law” or “New Laws”), the provisions of this Agreement shall be modified or suspended as may be necessary to comply with such New Laws. Immediately after enactment of any such New Law or court decision, those parties designated by the Owner, the Developer and the County shall meet and confer in good faith in order to agree upon such modification or suspension based on the effect such New Law would have on the purposes of intent of this Agreement. During the time that these parties are conferring on such modification or suspension or challenging the New Laws, the County may take reasonable action to comply with such New Laws. Should these parties be unable to agree to a modification or suspension, either may petition a Court of competent jurisdiction for an appropriate modification or suspension of this Agreement. In addition, the Owner, the Developer and the County each shall have the right to challenge the New Laws preventing compliance with the terms of this Agreement. In the event that such challenge is successful, this Agreement shall remain unmodified and in full force and effect.

B. Estoppel Certificate. The Owner, the Developer and the County may, at any time, and from time to time, deliver written notice to the other applicable party requesting such party to certify in writing:

(a) that this Agreement is in full force and effect;

(b) that this Agreement has not been amended or modified, or if so amended, identify those amendments;

(c) whether, to the knowledge of such notifying party, the requesting party is in default or claimed default in the performance of its obligations under this Agreement, and, if so, describing the nature and amount, if any, of any such default or claimed default; and

(d) whether, to the knowledge of such notifying party, any event has occurred or failed to occur which, with the passage of time or the giving of notice, or both, would constitute a default and, if so, specifying each such event.

C. **Entire Agreement.** This Agreement sets forth, and incorporates by reference all of the agreements, conditions and understandings among the County, the Owner and the Developer relative to the Property and its Development and there are no promises, agreements, conditions or understandings, oral or written, expressed or implied, among these parties relative to the matters addressed herein other than as set forth or as referred to herein.

D. **No Partnership or Joint Venture.** Nothing in this Agreement shall be deemed to create a partnership or joint venture between the Owner, the Developer or the County or between the Owner(s), or the Owner and any Developer, or to render such party liable in any manner for the debts or obligations of another party.

E. **Exhibits.** All exhibits attached hereto and/or referred to in this Agreement are incorporated herein as though set forth in full.

F. **Construction.** The parties agree that each party and its counsel have reviewed and revised this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendments or exhibits hereto.

G. **Assignment.** Other than as defined herein, no other rights, obligations, duties or responsibilities devolved by this Agreement on or to the Owner, Developer or the County shall be assignable to any other person, firm, corporation or entity.

H. **Governing Law.** This Agreement shall be governed by the laws of the State of South Carolina.

I. **Counterparts.** This Agreement may be executed in several counterparts, each of which shall be deemed an original, and such counterparts shall constitute but one and the same instrument.

J. **Agreement to Cooperate.** In the event of any legal action instituted by a third party or other governmental entity or official challenging the validity of any provision of this Agreement, the parties hereby agree to cooperate in defending such action; provided, however, each party shall retain the right to pursue its own independent legal defense.

K. **Eminent Domain.** Nothing contained in this Agreement shall limit, impair or restrict the County's right and power of eminent domain under the laws of the State of South Carolina.

L. **No Third Party Beneficiaries.** The provisions of this Agreement may be enforced only by the County, the Owner and the Developer (including successors and/or assigns). No other persons shall have any rights hereunder.

XIX. **STATEMENT OF REQUIRED PROVISIONS**

A. **Specific Statements.** The Act requires that a development agreement include certain mandatory provisions, pursuant to Section 6-31-60(A). Although certain of these items are addressed elsewhere in this Agreement, the following listing of the required provisions is set forth for convenient reference. The numbering below corresponds to the numbering utilized under Section 6-31-60(A) for the required items:

1. **Legal Description of Property and Legal and Equitable Owner.** The legal description of the Property is set forth in Exhibit "A", attached hereto. The current legal Owner of the Property is Cherokee Beaufort, LLC.

2. **Duration of Agreement.** The duration of this Agreement shall be five (5) years, with three (3) five (5)-year renewal terms.

3. **Permitted Uses, Densities, Building Heights and Intensities.** A complete listing and description of permitted uses, Dwelling Unit densities, building intensities and heights, as well as other Development related standards, are contained in this Agreement.

4. **Required Public Facilities.** The utility services available to the Property are described generally above regarding electrical service, telephone and solid waste disposal. The mandatory procedures of the ZDSO and this Agreement, and/or the use of Development Impact Fees, fees in lieu, or other funding sources at the County's option shall ensure availability of roads, schools, parks and utilities to serve residents on a timely basis.

5. **Dedication of Land and Provisions to Protect Environmentally Sensitive Areas.** All relevant State and Federal laws shall be fully complied with, in addition to the provisions set forth in this Agreement. Where required by State or Federal law, protective buffers for wetlands shall be created.

6. **Local Development Permits.** The Development is set forth in the Unified Development Plan, and must comply with the ZDSO. Specific permits shall be obtained prior to commencing Development, consistent with the standards set forth in the ZDSO. Building permits shall be obtained under County Ordinances for any vertical construction, and appropriate permits shall be obtained from the State of South Carolina (OCRM) and the Army Corps of Engineers, when applicable, prior to any impact upon salt or freshwater wetlands. It is specifically understood that the failure of this Agreement to address a particular permit, condition, term or restriction shall not relieve the Owner, its successors and assigns, of the necessity of complying with the law governing the permitting requirements, conditions, terms or restrictions.

7. **Comprehensive Land Use Plan and Development Agreement.** The Development permitted and proposed hereunder is consistent with the Beaufort County Comprehensive Land Use Plan and with the County's current land use regulations.

8. **Terms for Public Health, Safety and Welfare.** The Beaufort County Council finds that all issues currently relating to public health, safety and welfare have been adequately considered and appropriately dealt with under the terms of this Agreement, the ZDSO and existing law.

9. **Historical Structures**. No specific terms relating to historical structures shall be pertinent to this Development Agreement. All historic structures and issues shall be addressed through the permitting process of the ZDSO at the time of Development; and no exception from any existing standard shall be hereby granted.
