Beaufort County actively encourages small and minority subcontractor participation in all Beaufort County contracts. Attention of the bidders is called to contract conditions contained herein pertaining to non-discrimination, equal employment opportunity, and subcontracting opportunities.

It is the policy of Beaufort County that small and minority owned business enterprises be given fair opportunity to participate as sources of needed supplies, construction, and other services whenever possible. Bid documents require documentation of a bidder's efforts to recruit small and minority business.

In order to demonstrate compliance, bidders shall submit the following completed documents with the sealed bid submittal clearly marked with the bid number, project name and number and marked Section 2.537.2 "Small and Minority Business Program Participation" with their bid:

2. Proposed schedule of small and minority owned business enterprise participation (Sec. 2.537.2.2) and;
3. Documentation of Bidder's Recruiting Effort (Sec 2.537.2.3)

Documentation of the bidder's efforts to recruit small and minority owned businesses shall be submitted within the sealed bid document. Efforts must include the following:

- a. Providing all documentation required in Section 2.537.2.
- b. Providing evidence that Small and Minority owned businesses are solicited whenever they are potential sources.
- c. Not less than ten (10) calendar days prior to bid submittal, a bidder must provide written notice to small and minority businesses of the bidder's interest in receiving sub-bids on a project.
- d. A bidder's written notice consists of a letter containing the bidder's name; county bid number; description of work available for subcontracting; bidder's contact information; information on availability of plans and specifications; and bidder's policy concerning assistance to subcontractors in obtaining bonds, credit lines and, or insurance.
- e. A copy of the letter sent to small and minority businesses and a list of businesses to which the letter was sent is required to be provided with bid documents along with the fax transmittal confirmation slip for letters sent by fax and copies of metered or stamped envelopes for letters sent by mail.

Each participating bidder is required to take the affirmative steps outlined in subparagraphs a) through e) above.

Failure to submit adequate documentation, or false information, will result in a recommendation that the bidder not be awarded this contract.

The contractor is required to fulfill any small and minority utilization commitments made unless good cause is demonstrated for any failure to fulfill such commitment. Written approval is required for substitution.

The contractor will maintain records and information necessary to document compliance with the Small and Minority Business Program requirements, and Beaufort County shall have the right to inspect such records.

The successful bidder shall maintain compliance records. At the conclusion of the contract the successful bidder will provide a final report of compliance summarizing the compliance efforts and actual results. The final report shall include a written explanation of variances between the proposed schedule of small and minority participation and the final actual participation history.

No bidder shall enter into an agreement with any small and minority firm that would in any way limit the firm's opportunities to sell to, or act as subcontractor for, any other party. Violation of this requirement would be grounds to deem the bidder non-responsive to this bid solicitation.

The following resources are available to aid bidders in complying with this section:

A current list of small and minority firms can be obtained by calling the Beaufort County Engineering Division at 843-470-2625 or via facsimile 843-470-2630. All opportunities are posted on the County website at www.bcgov.net
