SUBJ: IFB # 2285/110811 County Municipal Buildings Lighting Retrofit Project

DATE: October 28, 2010

BACKGROUND: Beaufort County was allocated \$636,000 by the United States Department of Energy under the Energy Efficiency and Conservation Block Grant (EECBG) Program. The County established an Energy Action Team (EAT) to develop energy conservation and efficiency projects meeting the grant program guidelines. Grant funds are now available and we have been notified to proceed with the grant projects. The purpose of this activity is to decrease energy consumption by replacing older lighting fixtures with more energy efficient fixtures. The County received bids on September 22, 2010 for lighting retrofits for the following six buildings: Beaufort County Courthouse, Beaufort County Detention Center, Beaufort County Law Enforcement Center, Beaufort County Library, Beaufort County Social Services Building, and the Beaufort County Public Works Office. This entails the retrofit of existing fluorescent lighting fixtures which includes testing, removal, replacement, and disposal of existing lamps, ballasts, and sockets. Additionally, the contract requires cleaning or replacement of fixture lenses, and replacement of incandescent lamps in down lights and exit signs with high efficiency lamps. A certified tabulation of the bid results is attached and totals for each of the 6 companies submitting bids as follows:

<u>Company Name</u>	<u>Location</u>	<u>Bid Price</u>
F.M. Young Co.Inc.	Fairfax, South Carolina	\$149,276
Ocean Light Corporation	Beaufort, South Carolina	\$164,715
Quality Electrical Systems	Beaufort, South Carolina	\$195,542
Beacon Electrical	Beaufort, South Carolina	\$226,763
United Energy Plus, LLC	Strawberry Plains, Tennessee	\$247,045
Powell Electric	Beaufort, South Carolina	\$260,003

F. M. Young submitted the lowest responsive/responsible bid of \$149,276. F.M. Young's bid was reviewed and found to be reasonable and is in compliance with County and Federal requirements. There is no apparent cause for rejecting their bid.

FUNDING: Total FY 2010 funding provided through the Energy Efficiency and Conservation Block Grant (Fund 225) was \$235,607. In FY2010, the County used \$11,050 to pay for professional engineering services to Mr. William Fielder, P.E., a local engineering company. The current FY 2011 balance for lighting renovations at six locations is \$224,557.

RECOMMENDATION: The Public Facilities Committee approve and recommend to County Council the contract award to F.M. Young for the Lighting Retro Project in the amount of \$149,276.

1.2 EXISTING FACILITIES

Retrofits are to be accomplished in such a manner as to prevent injury or damage to any portions of the existing facility.

PART 2 PRODUCTS

Not used.

PART 3 EXECUTION

3.1 WORK DURATION

Contractor shall deliver a schedule of installation to the Director of Facility Management for approval within two business days after formal notice of bid award. Contractor agrees to order equipment and materials necessary for the project and to begin work within 22 working days after receiving the approved schedule.

Since much of the work may to be performed during working hours, and it is desirable to limit disruption of facility operations as much as possible, work on all six facilities, including final cleanup and waste disposal, shall be accomplished in 50 working days

SUBJ: Contract #42 – Dirt Road Reconstruction for East River Drive, West River Drive, Central Drive and Rose Island Road IFB #2906/111120

DATE: November 19, 2010

BACKGROUND. On 11/18/10, Beaufort County received six bids for the above referenced project. The Engineering Division reviewed the bid proposals submitted. A tabulation of the bids is attached, with the total as follows:

<u>Contractor</u>	<u>Address</u>	<u>Bid Total</u>
J. R. Wilson Construction	4985 Savannah Hwy, Hampton, SC	\$ 882,277.08
REA Contracting	42 Jeter Road, Beaufort, SC	\$ 888,756.70
J. H. Hiers Construction	715 Green Pond Hwy, Walterboro, SC	\$ 967,363.90
Cleland Site Prep, Inc	2894 Argent Blvd, Ridgeland, SC	\$ 973,482.22
Sanders Brothers Construction	1990 Harley N. Charleston, SC	\$1,010,310.77
APAC-Southeast, Inc.	47 Telfair Place, Savannah, GA	\$1,270,894.15
Engineers Estimate		\$ 910,000.00

J. R. Wilson Construction submitted the lowest bid but REA Contracting, as per the attached 11/18/10 correspondence, has requested to exercise local vendor preference participation in accordance with the County's Code of Ordinances for Local Vendor Preference. REA Contracting has submitted their participation affidavit in their bid proposal and will match the lower bid amount. An analysis of their bid submittal and prices was reviewed and there is no apparent cause for rejecting their bid. We also reviewed this bidder's proposal and have determined that they made a "Good Faith Effort" and in compliance with respect to Beaufort County's requirements regarding the Small & Minority Business Subcontractor Ordinance. Based on this analysis, the Engineering Division recommends award of this contract to REA Contracting LLC, for \$ 882,277.08.

The reconstruction of the County dirt roads in this contract will be funded with BCTC/TAG Funds from the following accounts: East River Road, Acct # 3322C-54725 (\$146,892); West River Road Acct #3322C-54726 (\$277,444); Central Drive Acct# 3322C-54727 (\$200,352.30) and Rose Island Road, Acct #3322T-54748 (\$314,068.40).

RECOMMENDATION. The Public Facilities Committee approves and recommend to County Council the award of Contract #42 to REA Contracting LLC, for the construction and paving of East River Drive, West River Drive, Central Drive and Rose Island Road in the amount of \$ 882,277.08 from BCTC/TAG Funds.

**LOCAL VENDOR PREFERENCE – PARTICIPATION AFFIDAVIT –
CODE OF ORDINANCES, CHAPTER 2, ARTICLE VII, DIVISION 4,
PURCHASING, SECTION 2.537.1**

A competitive procurement made by Beaufort County shall be made from responsive and responsible resident vendors in the County for procurement, if such bid does not exceed the lowest qualified bid from a non-county vendor by more than five (5%) percent or Ten Thousand (\$10,000.00) Dollars, whichever is less, of the lowest non-county bidder. The resident vendor has the discretion to match the bid submitted by the non-county vendor and receive the contract award.

A vendor shall be deemed to be a “local vendor” if such vendor is an individual, partnership, association or corporation that is authorized to transact business within the state, maintains an office in Beaufort County, has a business license of Beaufort County or one of the municipalities within Beaufort County, and maintains a representative inventory of commodities within Beaufort County or one of the municipalities on which the bid is submitted and has paid all taxes duly assessed.

If no bids are received from a Beaufort County Local Vendor, a vendor shall be deemed to be a “local vendor” if such vendor is an individual, partnership, association or corporation that is authorized to transact business within the state, maintains an office in Jasper, Hampton or Colleton Counties (local preference only applies if Jasper, Hampton or Colleton Counties offer reciprocity to Beaufort County). A competitive procurement made by the county shall be made from responsive and responsible resident vendors in the respective counties for procurement, if such bid does not exceed the lowest qualified bid from a non-local vendor by more than five (5%) percent or Ten Thousand (\$10,000.00) Dollars, whichever is less, local vendor has the discretion to match the bid submitted by the non-local vendor and receive the contract award.

If the procurement is to be made pursuant to state or federal guidelines which prohibit or restrict a local or state preference, there shall be no local or state preference unless a more restricted variation is allowed under the guidelines. Local/state preference shall not be applied to the procurement of construction services.

The undersigned hereby attests that the criteria of the "RESIDENT VENDOR PREFERENCE, SECTION 2.537.1*" are met for the purposes of bid document

SMALL AND MINORITY BUSINESS PARTICIPATION REPORTING

Beaufort County actively encourages small and minority subcontractor participation in all Beaufort County contracts. Attention of the bidders is called to contract conditions contained herein pertaining to non-discrimination, equal employment opportunity, and subcontracting opportunities.

It is the policy of Beaufort County that small and minority owned business enterprises be given fair opportunity to participate as sources of needed supplies, construction, and other services whenever possible. Bid documents require documentation of a bidder's efforts to recruit small and minority business and the successful bidder herein further referred to as Contractor, is required to provide performance reporting.

The contractor is required to fulfill small and minority utilization commitments made unless good cause is demonstrated for any failure to fulfill such commitment. Written approval is required for substitution.

The contractor shall maintain compliance records. At the conclusion of the contract the contractor will provide a final report of compliance summarizing the compliance efforts and actual results.

The final report shall include a written explanation of variances between the proposed schedule of small and minority participation and the final actual participation history.

Prior to final payment, the contractor shall submit a final report on small and minority business participation. The final report shall include the names and addresses of all S/MB firms originally included in the Proposed Schedule of S/MB Participation, type of work subcontracted, original anticipated subcontract value, actual final subcontract value and S/MB status. The final report shall include a written explanation of variances between the proposed plan and actual participation results.

Exhibit S/MB, Final Report of S/MB Participation, is included herein for that purpose. The contractor may, with the prior permission of the County Engineer, submit an alternate reporting form provided that all of the required information is included in the alternate form.

SUBJ: **Mast Arm Traffic Signal Replacement IFB #2285/111019**

DATE: November 16, 2010

BACKGROUND: On November 4, 2010, Beaufort County accepted bids for mast arm traffic signal replacement at the intersection of Carteret Street (US 21 Business) and Bay Street (S-7-6) in the City of Beaufort. This project will rebuild the existing traffic signal which includes the installation of decorative mast arms and support poles. A certified tabulation of the bid results is attached and totals for each of the four companies submitting bids as follows:

<u>Company Name</u>	<u>Location</u>	<u>Original Bid Price</u>	<u>Revised Bid Price</u>
Walker Brothers, Inc.	P O Box 1045, Lexington, SC	\$57,385.00	\$49,435.00
W.M. Roebuck, Inc.	4050 Fish Hatchery Rd, Lexington, SC	\$55,445.00	\$53,695.00
J. Moore Electrical	450 Cedar Creek Rd, Swansea, SC	\$66,600.00	\$64,720.00
German Technical Group, LLC	898 Rutledge Ave, Charleston, SC	\$89,407.50	\$87,447.50
Engineer's Estimate		\$47,120.56	\$47,120.56

It was determined that a temporary signal would not be needed for this project so all bids were reduced appropriately (attached). W. M Roebuck, Inc. bid was found to be non-responsive due to all bid line items not being completed that are a necessary part of the project. Walker Brothers, Inc. submitted the next lowest qualified/responsible bid of \$49,435.00 Walker Brothers, Inc. bid was reviewed and found to be reasonable and is in compliance with the County's SMBE Ordinance. Walker Brothers, Inc. will be self-performing the work. There is no apparent cause for rejecting their bid.

FUNDING: Funding for this project is being provided by the City of Beaufort \$48,435 (letter attached) and \$1,000 from account #23323-51997 - SCDOT Loop Reimbursement.

RECOMMENDATION: The Public Facilities Committee approve and award a construction contract to Walker Brothers, Inc. in the amount of \$49,435.00 for the Mast Arm Traffic Signal Replacement at the intersection of Carteret Street and Bay Street utilizing the funding sources listed above.

Dear Gary,

Please be informed that the City of Beaufort has secured \$48,435.00 as funds needed for installation of the decorative mast arm at the intersection of Carteret and Bay Street.

Please accept this letter as concurrence with the selection of Walker Brothers, Inc. as the responsible bidder. We support the award recommendation moving forward to the Beaufort County Public Facilities Committee for their approval.

We thank everyone for their collaborative efforts in helping to move this project closer to fruition.

Respectfully,

**Scott Dadson, City Manager

SUBJ: IFB # 1658/111122 HDPE Pipe for Beaufort County Public Works Department

DATE: November 18, 2010

BACKGROUND: Beaufort County received the following three (3) bids from qualified HDPE pipe suppliers in support of our County's stormwater departments operations on November 8, 2010:

1. Ferguson Enterprises, Bluffton, SC	\$144,230
2. HD Supply Waterworks, Charleston, SC	\$167,784
3. Atlantic Supply & Equipment, Augusta, GA	\$171,972

The County's intent is to create an annual contract for the purchase of HDPE pipe supplies and take advantage of the volume buying cost savings. Ferguson Enterprises submitted the lowest responsive/responsible bid of \$144,230. Ferguson Enterprises bid was reviewed and found to be reasonable and is in compliance with County's small and minority requirements. There is no apparent cause for rejecting their bid.

FUNDING: Account 13531-52370. As of 11/18/2010 fund 530 (Stormwater) has a fund balance of \$629,733.

RECOMMENDATION: The Public Facilities Committee approve the HDPE pipe contract award to Ferguson Enterprises in the amount of \$144,230 for an initial contract term of one (1) year with four (4) additional one (1) year contract renewal periods all subject to the approval of Beaufort County.

SUBJ: IFB # 4975/111021 Dumpster Rental Services for Beaufort County

DATE: November 18, 2010

BACKGROUND: Beaufort County currently requires dumpster rental services for various County departments (see the attached list of locations and pricing information). In order to save money and to consolidate the dumpster service into one contract, the County advertised bids in October 2010. The County received the following four (4) bids on November 10, 2010 for dumpster rental services:

- | | |
|--|------------------------|
| 1. Waste Pro of SC, Inc, Hardeeville, SC | \$25,005 Nonresponsive |
| 2. Waste Management of SC, Ridgeland, SC | \$32,803 |
| 3. Republic Services, Beaufort, SC | \$37,488 |
| 4. Lowcountry Sanitation, Beaufort, SC | \$62,546 |

Waste Management submitted the lowest responsive/responsible bid of \$32,803. Waste Management's bid was reviewed and found to be reasonable and is in compliance with County requirements. There is no apparent cause for rejecting their bid.

*Facilities Management's budget covers the following locations: All Libraries, BIV #3, BIV #5, Main Administration, Bluffton Gym, Burton Wells Recreation, Human Services, County Courthouse, Myrtle Park, LEC, and the Detention Center. The combined current FY 2011 budget balance is \$39,296, which is sufficient to fund the remainder of FY 2011, as the initial contract will begin in December 2010 and end in December 2011 (which includes half of FY 2011 and half of FY 2012).

RECOMMENDATION: The Public Facilities Committee approve the dumpster rental services contract award to Waste Management of SC in the amount of \$32,803 for an initial contract term of one (1) year with four (4) additional one (1) year contract renewal periods all subject to the approval of Beaufort County.

SUBJ: **Airport Capital Improvement Program (ACIP) Plans**

DATE: November 19, 2010

BACKGROUND. Every year the Airports are required to submit an updated ACIP Plan for the upcoming fiscal year along with a five year ACIP projection. Attached are the FY-2011 Updates and Five Year ACIP Plans for both the Hilton Head Island and Beaufort County Airports. The FAA uses these submissions to arrange funding for future grant offers. These plans are consistent with those previously submitted and have been revised to reflect the recommendations contained in each of the Airport Master Plan Updates. These ACIP Plans are due to the FAA by January 1, 2011. The Airports Board voted unanimously to endorse these plans.

FUNDING. Funding of the local matching share will be reflected in each Airport's Annual Operating Budget as appropriate.

RECOMMENDATION. That the Public Facilities Committee approve and recommend to County Council approval of the FY-2011 Updates and Five Year ACIP Plans for both airports for submission to the FAA.
