**SUBJ:** State Contract Purchase  
Request to Purchase a Bobcat Track Loader for the Public Works Department

**DATE:** 06/05/2017

**BACKGROUND:**

The Purchasing Department received a request from the Director, Public Works to purchase one new 2017 T870 Bobcat Compact Track Loader from Bobcat of Savannah, Bloomingdale GA, a certified National Joint Powers Association (NJPA) cooperative contract vendor. Public Works currently has two (2) bobcats. Both are 10 years old and have nearly 6000 hours of operation aggregate in saltwater environment.

Total cost of \$77,414.92 includes all discounts, delivery, SC sales tax; manuals, selectable joystick controls, NAGS port relief valve, engine compartment seal kit, S850 & T870 tier 4 forestry applications kit, M Series 84”C/I heavy duty bucket, bolt-on cutting edge, 84” and 82” root grapple.

**VENDOR INFORMATION:**

Bobcat of Savannah, Bloomingdale GA

**COST:**

\$77,414.92

**FUNDING:**

**SUBJ:** New Contract as a Result of Solicitation  
 Contract Award Recommendation for AE/MEP/Civil Engineering for the Government Complex in Beaufort, SC

**DATE:** 06/15/2017

**BACKGROUND:**

Beaufort County issued a Request for Proposals from qualified firms to provide services for architectural, engineering, and civil engineering design for the construction of a three story building to be located on a portion of the property at the Beaufort County Government complex. The new building location will require the removal of a portion of the Author Horne Building, with temporary repair and stabilization for continued operations.

A&E design services for a three story structure of approximately 21,000 SF were requested from qualified firms.

The following four firms responded and were interviewed by an evaluation committee consisting of Phil Foot, Assistant County Administrator for Public Safety, Mark Roseneau, Facilities Management Director, and Mark Sutton, Deputy Facilities Management Director. See the attached scoring summary for more detail.

**VENDOR INFORMATION:**

**COST:**

1. Hussey, Gay, and Bell, Savannah, GA**	See below
2. Beaufort Design Build, Beaufort, SC	See below
3. FWA, Hilton Head Island, SC	See below
4. LS3P, Savannah, GA	See below

**FUNDING:**

\*\* The committee conducted contract negotiations with Hussey, Gay, and Bell, the number one ranked firm, but could not mutually agree on the contract pricing so the committee moved to the second ranked firm, Beaufort Design Build and agreed upon a final cost of \$197,250, with \$19,725 as a contingency fund.

10001310-51160, Facilities Management, Professional Services

Funding approved:  By:  Date:

**FOR ACTION:** Public Facilities Committee Meeting on June 26, 2017.

**RECOMMENDATION:**

The Public Facilities Committee approve and recommend to County Council the contract award to Beaufort Design Build, LLC, in the amount of \$197,250 with \$19,725 as a contingency fund for the design and construction management of the proposed building.

Re: **Beaufort County Government Complex  
Proposal Notice No. 062316**

Mr. Mark Roseneau  
Director - Beaufort County Facility Management  
120 Shanklin Road  
Beaufort, South Carolina 29906  
markr@bcgov.net

Mr. Roseneau;

Thank you for the opportunity to provide this proposal for architecture and engineering design, project management and construction period services for the above referenced project.

Our understanding of the project and our proposed Scope of Work are as follows;

## **Project Description**

---

1. In general, the project consists of design and construction of a new County office building on the eastern edge of the existing Government Complex.
2. The building will likely house the Magistrate's offices on the first floor, general office space on the second floor and IT Operations offices on the third floor. The project includes programming and design of these tenant spaces.
3. The building will be situated so that it defines the southern side of the existing courtyard. Setbacks and the overall building design and detail will be in accordance with requirements of the Beaufort County Development Code and the City of Beaufort Boundary Street Redevelopment Plan.
4. The project will include demolition of a portion of the northern end of the A Horne building. Beaufort Design Build will work with Beaufort County to review the Horne building's existing program, use and occupancy to determine where and how much of the building should be demolished.
  - A. Every effort will be made to design the project such that there is no net gain in impervious surface area.
  - B. The remaining northern end of the Horne building will be closed to match the existing elevations and mechanical, electrical and plumbing systems will be reconfigured as necessary to maintain their continuity.

- C. Telephone, data and alarm systems will be reconfigured and modified as necessary to maintain their continuity and connectivity.
5. The new building will be three stories; 7,000 square feet each. It will be designed to be consistent with the architecture of the existing buildings on the courtyard. Floor to floor height for each story will at least 14'-0" to accommodate 9'-0" ceilings with 5'-0" of interstitial space for structure and mechanical, electrical, plumbing, fire protection and low voltage systems.
  6. The project will not include a basement or retaining walls taller than 2'-0".
  7. Structural design will be based on the findings and recommendations outlined in Whitaker Laboratory's Geotechnical Engineering Report, dated May 9, 2017.
  8. The building core will include one (1) three-stop elevator and two (2) fire egress stairs as well as restrooms, electrical closets and janitor's closets. Also, depending on the selected HVAC system, the core might include an HVAC shaft.
  9. Demolition and renovation of the Horne building and design of the new building will be in accordance with the 2015 International Building Code and other codes and standards referenced therein. Designs will also comply with accessibility requirements of the Americans with Disabilities Act and the International Code Council A117.1-2209.
  10. The building envelope will be designed to comply with or exceed requirements of the International Energy Conservation Code.
  11. The new building will be provided with fire sprinkler and fire alarm systems.
  12. The new building will be a (B) Business Occupancy and will utilize Type VB Construction as defined in the 2015 International Building Code.
  13. Including demolition and abatement work on the A Horne Building, it is estimated that the total construction cost will be between \$225.00 and \$275.00 per square foot, depending on the shell design, interior upfit work, MEP and FP systems, site improvements and other variables.

### **Design Period Services**

---

1. Beaufort Design Build (BDB) will provide architectural and engineering design services and construction period services from programming through owner occupancy. Civil, structural, mechanical, electrical, plumbing, fire protection and low voltage systems engineering will be by consultants working under BDB's contract.
2. BDB will provide a critical path project schedule for design, permitting and bidding phases. The schedule will be prepared using Microsoft Project and will be driven by Zoning, permitting and the Beaufort County Planning Division Corridor Review Board process.
3. BDB will survey the existing A Horne Building and site conditions in the project area and prepare existing conditions for design and construction purposes. Surveys will be prepared using AutoCAD.
4. The Owner will obtain geotechnical data for the project area as required for structural design and engineering.

5. An asbestos survey for the Horne building will be provided by Owner. Asbestos abatement will be included in the construction contract as a design build task. The abatement contractor will be responsible for design of the abatement work as well as all local and State permitting. Bid documents will include demolition drawings and specifications, the asbestos report and permitting requirements.
  - A. The project does not include removal or abatement of other hazardous materials including, but not limited to, lead based paint, PCBs, mercury or mold.
  - B. The project does not include removal of pests including, but not limited to, rodents, bats or birds.
6. BDB will provide analysis of the existing campus wide storm water system to verify that additional storm water retention and/or water quality ponds and/or structures are not required. This proposal is based on the assumption that they will not be. Storm water design will be limited to drainage around the new building and inlets and piping to connect to the existing systems.
7. BDB will provide analysis of the existing parking areas to confirm that additional parking is not required. Analysis will consist of establishing an accurate count of existing spaces and confirmation that, with the new building, the campus is in compliance with Beaufort County Zoning requirements. This proposal is based on the assumption that additional parking will not be required.
8. BDB will conduct Owner's Project Requirements (OPR) meetings and prepare a written OPR document. The OPR document will define design and construction requirements that must be met if the project is to be successful. The OPR document often includes items such as no auto-sensing plumbing fixtures (or only auto-sensing plumbing fixtures), floor drains in restrooms, motion sensors in meeting rooms, etc. The OPR document will be reviewed for compliance at the end of each design phase and throughout construction.
9. BDB will prepare a Basis of Design Document. This document will include items such as structural load requirements, thermal requirements, glass properties and other physical parameters which will guide the design and specifications.
10. BDB will provide design and programming services for the interior upfits – Magistrate's Office, General Office and IT Operations.
11. BDB will provide detailed probable cost estimates at Preliminary Design, Design Development and Construction Documents phases.
12. BDB will provide life cycle cost analysis for building systems as agreed to during programming. Systems might include elevator type, HVAC system, structural system, roofing material, etc.
13. BDB will prepare design and construction documents using AutoCAD and Google Sketchup.
14. BDB will provide design submissions for Owner review and approval at the completion of preliminary design, design development and construction document phases. Deliverables for each phase will be defined at the start of the phase.
15. BDB will make presentations to Council and subcommittees as necessary to obtain final design approval for bid and construction. Presentations will utilize PowerPoint, Sketchup and/or other presentation formats.
16. All designs will be prepared and presented in 2-D using AutoCAD and in 3-D using Google Sketchup.
17. Interior finish materials will be selected during the design phase but, colors will be selected during construction. Colors for each material will be selected from the manufacturer's standard line and

manufacturers will be as submitted by the contractor and as approved through the submittal process.

18. Design of low voltage systems (telephone, data and security) will include conduit, boxes, wiring and devices. Systems will be ready for "plug in" of hardware.
19. It is assumed that utilities available at the project site are adequate for the existing Horne building and the new office building. Existing utilities will be retained at the Horne building and separate utility lines will be extended to the new building. Utilities will include power, water, sanitary sewer, telephone and data. Data will be served from an existing on-site IT vault. The two buildings will be metered separately.

## **Permitting, Bidding and Construction Contract Award Phase**

---

1. Building permit review and bidding phases will run concurrent.
2. Four (4) weeks will be budgeted for permitting and bidding.

### **Permitting**

3. Beaufort Design Build (BDB) will prepare and submit applications, forms, drawings, etc. as required for City of Beaufort permit approval. BDB will obtain Zoning and Beaufort County Planning Division Corridor Review Board approvals prior to submitting for building permit review.
4. BDB will provide revised drawings and written responses for permit review comments as necessary to obtain a building permit.
5. All permit costs, including, but not limited to Zoning, Corridor Review and building permit will be paid by Owner.

### **Bidding and Construction Contract Award**

6. The project will be released for public bidding and will be advertised on the County's Purchasing Department website.
7. Bid Documents will consist of drawings and a project manual. The project manual will include bidding and contract documents and specifications as well as technical specifications.
8. Bid documents will be provided to prime bidders in un-editable PDF format.
9. BDB will conduct a mandatory pre-bid meeting at the project site. The meeting will be documented with written meeting minutes which will be issued by addendum.
10. BDB Will answer bid questions through written addendum only. Questions will not be answered verbally or by email.
11. BDB will conduct a public bid opening.
12. BDB review the low bid and verify that it is complete and accurate. The low bidder will be notified of their status and given seventy two (72) hours to verify their bid.
13. BDB will issue a certified bid tabulation and written recommendation for award.
14. A contract for construction will be prepared by Owner.

## Construction Period Services

---

1. Beaufort Design Build (BDB) will provide construction period services on behalf of the Owner and will serve as the Owner's representative to enforce the construction contract and the contract documents.
2. BDB will conduct a pre-construction meeting and bi-weekly Owner, Architect and Contractor (OAC) progress meetings. Meetings will follow a set agenda and will be documented with written meeting minutes.
3. BDB will prepare an Issues Log which will be reviewed at each progress meeting.
4. The OPR document will be reviewed and maintained throughout construction.
5. BDB will visit the project weekly and will follow each visit with a written field report.
6. BDB's engineering consultants will visit the project site at intervals coinciding with progress on work of their discipline. BDB will coordinate and schedule such visits.
7. BDB and its engineering consultants will review submittals, shop drawings and samples and provide written review comments.
8. BDB will review and as appropriate certify the contractor's pay applications.
9. BDB will answer the contractor's written requests for information (RFI).
10. BDB will issue requests for proposal (RFP) and architect's supplemental instructions (ASI) as required to address RFI.
11. BDB will review change order proposals (COP) and issue change orders (CO) as appropriate.
12. BDB will prepare punch-lists at the completion of the building shell and at completion of the entire project. A single punch-list, incorporating BDB and Owner comments, will be issued.
13. BDB will review and approve the contractor's closeout documents.

## Proposed Fee

---

For the work described here in, we propose a total fee of \$197,250. This fee includes surveying, geotechnical evaluation, architectural design, project management, construction period services as well as civil, structural, mechanical, electrical, plumbing, fire protection and low voltage systems engineering. The proposed fee breaks down as follows;

Discipline	Company	Proposed Fee
Architecture and Project Management - Including surveying	Beaufort Design Build	\$80,000.00
Civil Engineering	Andrews Engineering	\$26,250.00
Structural Engineering	Laurene, Rickher & Sorrell	\$21,000.00
Mechanical, Electrical, Plumbing, Fire Protection and Low Voltage Engineering	Optima Engineering	\$70,000.00
<b>Total Proposed Fee:</b>		<b>\$197,250.00</b>

## **Reimbursable Expenses**

Reimbursable expenses will be limited to Owner requested printing and printing required for formal design review submissions and permit review submissions. Documents for bidding and construction will be provided in un-editable PDF format. Bidders and contractors may print from the PDF files at their own cost.

## **Special Inspections**

The proposed fee does not include third-party special inspections required by the International Building Code. The type and extent of special inspections will depend on existing subsurface conditions and the final structural design. Based on our experience, we suggest that the Owner maintain an allowance of \$15,000.00 for special inspections.

## **Soil and Concrete Testing During Construction**

Soil testing and concrete testing during construction will be the contractor's responsibility and should be allowed for in the total construction cost. Beaufort Design Build will review soil and concrete test reports for compliance with the project specifications.

Once again, thank you for this opportunity to work with Beaufort County. Should you have any questions or need additional information, please don't hesitate to call or write.

Sincerely,  
**Beaufort Design Build, LLC**

SUBJ: **Construction of a New Comprehensive Animal Services Campus, Okatie Campus, Public-Private Partnership with Hilton Head Humane Association - IFB #041817E**

DATE: June 23, 2017

**BACKGROUND.** A new Animal Services Campus was designed by Glick Boehm Architecture, Charleston, SC. This new campus includes construction of a new 20,000 sf Animal Services Facility on a 6.3 acre site at the corner of SC 170 and Pritchard Point Road in Beaufort County. The building integrates the Beaufort County Animal Shelter, Animal Control officers, Hilton Head Humane Association Adoption facilities and spay and neuter clinic wings. Construction bids were advertised in February 2017. On April 25, 2017, Beaufort County received 5 bids for construction of the new Animal Services Campus and are listed below.

<u>Bidder</u>	<u>ADDRESS</u>	<u>TOTAL BASE BID AMOUNT</u>	<u>BID AMOUNT w/ DEDUCT ALTERNATES 1, 4A, &amp; Deduct Allow for X-Ray Room</u>
Nix Construction	Hilton Head, SC	\$ 7,557,000	<b>\$7,147,500</b>
EE Reed Construction	Savannah, GA	\$ 7,588,000	\$7,417,700
KMD Construction	Salisbury, NC	\$ 7,599,000	\$7,333,000
EMJ Projects	Chattanooga, TN	\$ 7,665,294	\$7,463,024
Benchmark Contracting	Charleston, SC	\$ 7,998,000	\$7,980,870
Engineers Estimate(Glick Boehm)		<b>\$ 7,638,101</b>	NA

Nine bid alternates were included in the bidding documents. Deduction Alternates #1, #4A and omitting allowance for the X-Ray Room have been accepted by staff.

An analysis of Nix Construction bid prices revealed no apparent cause for rejecting their bid. Nix Construction is the certified lowest responsible/responsive bidder. Compliance with the County's SMB Participation Ordinance was reviewed and Nix Construction's business outreach plan to utilize local, small and minority businesses is sound and meets the County's objective and is in compliance with the County's SMB Participation Ordinance. Therefore, it is recommended that the subject bid be awarded to Nix Construction Corporation in the amount of \$7,147,500. Staff is requesting a 9.5% project contingency of \$679,013. Total project construction budget is \$7,826,513.

**FUNDING.** The new Animal Services Campus will be funded from CIP Account #40090011-54600, County TAG Funds and private funding. Revenue streams for the project are: \$7.0 million from County GO Bonds, \$2.0 million from the Hilton Head Humane Association, and \$400,000 from TAG Funds.

**FOR ACTION:** Public Facilities Committee Meeting on June 26, 2017

**RECOMMENDATION:** The Public Facilities Committee approve and recommend to County Council approval of a contract award to the Nix Construction for the new Beaufort County & Hilton Head Humane Association Animal Services Campus totaling **\$7,147,500** from the funding source listed above. Additionally, recommend approval of a 9.5% project contingency at **\$679,013** for a total project budget of **\$7,826,513**.

**Alternates** – Provide alternate pricing for the nine alternates described below. Alternate pricing shall include all costs required to complete the work including but not limited to general conditions, overhead, profit and any incidental work required as a result of the alternate. Indicate whether the cost is and ADD or DEDUCT.

1. Alternate No. 1 – Painted CMU: Add/(Deduct) \$ \_\_\_\_\_
  - a. Base Bid Item: Provide glazed CMU in the Dog Kennel areas to a height of 6' -8' AFF or as shown in WFP-3 of the finish drawings.
  - b. Alternate Item: Replace all glazed CMU with standard grey CMU with moisture resistant additives. Grey CMU to be painted with epoxy paint.
2. Alternate No. 2 – Pressure Wash System: Add/(Deduct) \$ \_\_\_\_\_
  - a. Base Bid Item: Do not Provide Pressure Wash System.
  - b. Alternate: Provide Pressure Wash System and associated piping as shown and described on drawings and Specification Section 11 6500.
3. Alternate No. 3. Vinyl Windows: Add/(Deduct) \$ \_\_\_\_\_
  - a. Base Bid Item: Provide Aluminum storefront windows as shown on drawings.
  - b. Alternate Item: Provide Vinyl Windows in lieu of aluminum storefront windows at Frame Types W1 and W2.
4. Alternate #4A – Stainless Steel Swinging Kennel Gates: Add/(Deduct) \$ \_\_\_\_\_
  - a. Base Bid Item: Provide Stainless Steel Sliding Kennel gates as shown on drawings.
  - b. Alternate Item: Provide Stainless Steel Swinging Kennel gates at exterior Kennel locations in lieu of stainless steel. Interior Kennel gates to remain stainless steel sliding gates.
5. Alternate #4B – Aluminum Steel Swinging Kennel Gates: Add/(Deduct) \$ \_\_\_\_\_
  - a. Base Bid Item: Provide Stainless Steel Sliding Kennel Gates as shown on drawings.
  - b. Alternate Item: Provide Aluminum Swinging Kennel gates at exterior Kennel locations in lieu of stainless steel. Interior Kennel gates to be aluminum sliding gates in lieu of stainless steel.
6. Alternate 5 – Stainless Steel Swinging Kennel Gates: Add/(Deduct) \$ \_\_\_\_\_
  - a. Base Bid Item: Provide Stainless Steel Sliding Kennel gates as shown on drawings.
  - b. Alternate Item: Provide Aluminum Sliding Kennel Gates at interior and exterior locations in lieu of stainless steel.
7. Alternate 6 – Automatic Site Gate Add/(Deduct) \$ \_\_\_\_\_
  - a. Base Bid Item: Provide manual vehicular gate on site near trash enclosure. Provide capped conduit as shown on drawings for future automatic gate.
  - b. Alternate Item: Provide Automatic vehicular gate in lieu of manual gate.
8. Alternate 7 – Cat Condos: Add/(Deduct) \$ \_\_\_\_\_
  - a. Base Bid Item: Provide and install Mason Cat Tower System for cages in Cat Stray 120 & 122, Cat ISO 124 & 127 and Cat Quarantine 126.
  - b. Alternate Item: Provide and install Mason Raintree Cat condo with PVC core for cat cages in Stray, Medical and Quarantine Cat rooms in lieu of Mason Cat Tower System.
9. Alternate 8 – Generator: Add/(Deduct) \$ \_\_\_\_\_
  - a. Base Bid Item: Provide connection point for portable generator to connect to. Refer to electrical drawings.
  - b. Alternate Item: Provide a permanent generator. Refer to electrical drawings and specifications

SUBJ: **Daufuskie Island Park – Trail and Amenities Construction**

DATE: June 19, 2017

**BACKGROUND.** After bidding the subject project 3 previous times with no contract award, Beaufort County received bids on 08/23/16 for construction of the Daufuskie Island Park Trail and Amenities. This work includes 960 LF of walking trail, landscaping, parking area, men's and women's restroom facility including electric service, ground water well and septic system.

On 09/26/16, County Council approved award to ACCI in the amount of \$135,305. The funding sources for this project were a South Carolina Department of Parks & Recreation SCPRT Grant funds of \$99,808 and \$85,369 from County Hospitality Tax.

ACCI was sent the project contracts to execute and acquire the required Certificate of Insurance. The need for payment and performance bonds for this project was waived by the County. ACCI was notified on February 22nd, May 31st and June 6<sup>th</sup> to submit a corrected Certificate of Insurance. To date, ACCI has not complied with these requests. Therefore, it is recommended by staff that the contract with ACCI be rescinded and the park grant from SCPRT be returned.

**RECOMMENDATION.** That the Public Facilities Committee approve and recommend to County Council rescinding the ACCI contract for the Daufuskie Island Park Trail and Amenities construction and return the SCPRT grant funds.

---

Good Morning Adam,

We haven't received the corrected COI that I requested in February. We are in the process of having the contracts signed by Mr. Kubic, the County Administrator, and a COI is required before he will sign the contracts.

Attached is an example of how the COI should be filled out. The Certificate Holder is Beaufort County, P.O. Box 1228, Beaufort, SC 29901. Also Beaufort County is to be named as an additional insured.

Regards,

Carol Skinner

RE: **Daufuskie Island Park Trail and Amenities**

Dear Adam,

We have received the signed contract with the additional conditions attached. We cannot fully execute the contract without a proper Certificate of Insurance. You were previously sent instructions to correct the Certificate of Insurance which we have not yet received. If we have not received these documents within 5 days, we will cancel this contract.

If you have any questions, please feel free to contact Josh or myself.

Sincerely,

Andrea Atherton  
CIP Manager

				<b>Totals</b>	<b>\$ 2,334,350</b>	<b>\$ 362,469</b>

\* Contractor self-performed 100% of work

## Conclusion

- ❖ Staff Will Continue the Following Tasks:
  - Work With the Vendor Community While Emphasizing Doing Business with Local, Small and Minority Vendors
  - Using Public Service Announcements, The County Website, and Community Networking To Provide Information on Beaufort County Business Opportunities
  - The new Vendor Registry software will help the local vendor community have easier access to bids and information.

**205 Purchase Orders**

**5,018,903.33**

**RESOLUTION 2017 /**

**A RESOLUTION TO COMMISSION ANIMAL SERVICE OFFICER TO ENFORCE BEAUFORT COUNTY ANIMAL ORDINANCES FOR BEAUFORT COUNTY PURSUANT TO THE AUTHORITY GRANTED IN SECTION 4-9-145 OF THE CODE OF LAWS OF SOUTH CAROLINA, 1976, AS AMENDED**

**WHEREAS**, Beaufort County Council may appoint and commission as many animal service officers as may be necessary for proper security, general welfare and convenience of the County; and

**WHEREAS**, each candidate for appointment as a Beaufort County Animal Service Officer has completed training and required certification as may be necessary.

**NOW, THEREFORE, BE IT RESOLVED** by the County Council of Beaufort County, South Carolina that:

1. County Council hereby appoints and commissions the following individual as Animal Service Officer for Beaufort County:

Leslie Mosier  
Employee No. 9147  
Beaufort County Animal Service Officer

2. Each Animal Service Officer shall present the appropriate certificate to the Beaufort County Magistrate's office prior to any official action as an Animal Service Officer.

Adopted this \_\_\_\_ day of June, 2017.

COUNTY COUNCIL OF BEAUFORT COUNTY

BY: \_\_\_\_\_  
D. Paul Sommerville, Chairman

APPROVED AS TO FORM:

\_\_\_\_\_  
Thomas J. Keaveny, II, Esquire  
Beaufort County Attorney

ATTEST:

\_\_\_\_\_  
Ashley M. Bennett, Clerk to Council

**Ordinance No. 2017/\_\_\_\_**

**AN ORDINANCE AUTHORIZING THE EXECUTION AND DELIVERY OF AN EASEMENT ENCUMBERING PROPERTY OWNED BY BEAUFORT COUNTY, 20 AIRPORT CIRCLE, SOUTH CAROLINA.**

**WHEREAS**, Beaufort County owns real property (“County Parcel”) known as TMS No.: R200 018 000 054H 0000 and located at 20 Airport Circle on Lady’s Island, County of Beaufort; and

**WHEREAS**, due to the Beaufort County Airport Master Plan and anticipated future airport development, and for the benefit of the adjacent property located at 9 Airport Circle, it is necessary for Beaufort-Jasper Water and Sewer Authority (BJWSA) to obtain an easement across the County Parcel for the purpose of laying, constructing, maintaining, operating, repairing, replacing and removing pipe lines, together with valves, tie overs and appurtenant facilities for the transportation of sanitary sewer or substances which can be transported through a pipe line, to serve future development and the adjacent parcel; and

**WHEREAS**, BJWSA and the owner of the adjacent parcel 9 Airport Circle, have requested that Beaufort County grant it a limited access Utility Easement for the nonexclusive right to enter the County Parcel for the purpose of an underground, sanitary sewer pipeline across portions of the County’s property; and

**WHEREAS**, there is an existing sewer line from the Airport Circle right of way, across the County Parcel and ending on the adjacent parcel at 9 Airport circle and that sewer line serves county property, however an easement being necessary for the perpetual maintenance of the sanitary sewer pipeline; and

**WHEREAS**, County staff has worked diligently with BJWSA and the adjacent property owner, to locate an appropriate easement path across the County’s property that ensures a minimal impact to the property itself; and

**WHEREAS**, Beaufort County Council has determined that it is in its best interests to authorize the execution and delivery of the requested Easement attached hereto and incorporated by reference and shown on the attached “Exhibit A”; and

**WHEREAS**, S.C. Code Ann. § 4-9-130 requires that the transfer of any interest in real property owned by the County must be authorized by the adoption of an Ordinance by Beaufort County Council.

**NOW, THEREFORE, BE IT ORDAINED BY BEAUFORT COUNTY COUNCIL  
AS FOLLOWS:**

- (1) The County Administrator is hereby authorized to execute the Easement referenced herein and which is shown on “Exhibit A”; and
- (2) The County Administrator is hereby authorized to take all necessary actions as may be necessary to complete the conveyance of the Easement and ensure the construction and installation of the new power line to occur as agreed upon by the County and Palmetto Electric Cooperative, Inc.

Beaufort, SC 29901-0040

THE STATE OF SOUTH CAROLINA      )  
  )  
COUNTY OF BEAUFORT                 )      LIMITED ACCESS AND  
  )      UTILITY EASEMENT

INDENTURE, made this \_\_\_\_\_ day of \_\_\_\_\_, 2017 by and between Beaufort County ("Grantor"), and Beaufort-Jasper Water and Sewer Authority ("Grantee"), with an address of 6 Snake Road, Okatie, South Carolina 29909.

WITNESSETH, that in consideration of the sum of One and XX/100 (\$1.00) Dollars received from Grantee and the additional consideration hereinafter set forth, Grantor hereby grants and conveys to Grantee, its successors and assigns, a limited utility and access easement for the purpose of laying, constructing, maintaining, operating, repairing, replacing and removing pipe lines, together with valves, tie overs and appurtenant facilities for the transportation of sanitary sewer or substances which can be transported through a pipe line, the Grantee to have the right to select the route under, upon, over through and across the lands of Grantor situated in the County of Beaufort, South Carolina. Said lands of Grantor are more particularly described as follows:

UTILITY EASEMENT AREA:

All that certain piece, parcel or lot of land being on Lady’s Island, Beaufort County, South Carolina, shown and designated as a twenty foot (20’), more or less, wide “Proposed 20’ Sanitary Sewer Easement” as designated on a drawing prepared by Andrews Engineering dated March 10, 2016 and last revised on June 1, 2017. Said drawing is attached hereto as Exhibit “A”.

A Portion of: R200 018 000 054H 0000

This property can be further described as: 20 Airport Circle, Beaufort, SC 29907.

Together with the right from time to time to redesign, rebuild, or alter said pipe lines and to install such additional pipe lines, apparatus and equipment as Grantee may at any time deem, necessary and the right to remove any pipe line or any part thereof, all within the above described easement area.

Together also with the right of ingress, egress, and access to and from the right of way across and upon the Property as may be necessary or convenient for purposes connected with said right of way.

Beaufort County ("County") shall through agreement cause any contractor to indemnify the County and the Grantee for any damage to the property of Grantor other than to property cleared or removed as hereinbefore provided caused during the course of constructing, rebuilding or repairing said pipe line.

Reserving, however, to Grantor the right to cultivate and use the ground within the limits of said easement area, provided that such use shall not interfere with or obstruct the rights herein granted.

The words "Grantor" and "Grantee" shall include their heirs, executors, administrators, successors and assigns, as the case may be.

IN WITNESS WHEREOF, Grantor has duly executed this indenture the day and year first above written.

WITNESSES:

GRANTOR: Beaufort County

**AN ORDINANCE AUTHORIZING THE EXECUTION AND DELIVERY OF AN  
EASEMENT ENCUMBERING PROPERTY OWNED BY BEAUFORT COUNTY,  
10 PRITCHER POINT ROAD, SOUTH CAROLINA**

**WHEREAS**, Beaufort County owns real property (“County Parcel”) known as TMS No.: R600 013 000 0061 0000 and located on SC Hwy 170 (also known as Okatie Highway) on the East side of SC Hwy 170 with Pritcher Point Road located along the southern part of the County Parcel and Huffalump Road located along the northern part of the County parcel; and

**WHEREAS**, due to the Beaufort County Animal Services Facility project, it is necessary for Palmetto Electric Cooperative, Inc., to locate overhead and/or underground electric and communications systems to serve the new facility; and

**WHEREAS**, Palmetto Electric Cooperative, Inc. has requested that Beaufort County grant it a Utility Easement for the nonexclusive right to enter the County Parcel for the purpose of erecting, operating and maintaining overhead and/or underground electric and communication systems across portions of the County’s property; and

**WHEREAS**, County staff has worked diligently with Palmetto Electric Cooperative, to locate an appropriate easement path across the County’s property that ensures a minimal impact to the property itself; and

**WHEREAS**, Beaufort County Council has determined that it is in its best interests to authorize the execution and delivery of the requested Easement attached hereto and incorporated by reference and shown on the attached “Exhibit A”; and

**WHEREAS**, S.C. Code Ann. § 4-9-130 requires that the transfer of any interest in real property owned by the County must be authorized by the adoption of an Ordinance by Beaufort County Council.

**NOW, THEREFORE, BE IT ORDAINED BY BEAUFORT COUNTY COUNCIL  
AS FOLLOWS:**

- (1) The County Administrator is hereby authorized to execute the Easement referenced herein and which is shown on “Exhibit A”; and
- (2) The County Administrator is hereby authorized to take all necessary actions as may be necessary to complete the conveyance of the Easement and ensure the construction and installation of the new power line to occur as agreed upon by the County and Palmetto Electric Cooperative, Inc.

FROM: Robert McFee, PE, Division Director for Construction, Engineering & Facilities 

SUBJ: **Palmetto Electric Cooperative Easement for Electrical Services for the New Animal Services Facility**

DATE: June 15, 2017

**BACKGROUND.** The Engineering Department is in the process of acquiring all the necessary documents for construction to begin on the County's new Animal Services Facility located on 10 Pritcher Point Road, Bluffton, Parcel # R600 013 000 0061 0000, as shown in Attachment #1. Palmetto Electric Cooperative (PEC) is requesting an easement (Attachment #2) from the County in order to facilitate the electrical services for this project.

**FOR ACTION.** Public Facilities Committee meeting on June 26, 2017.

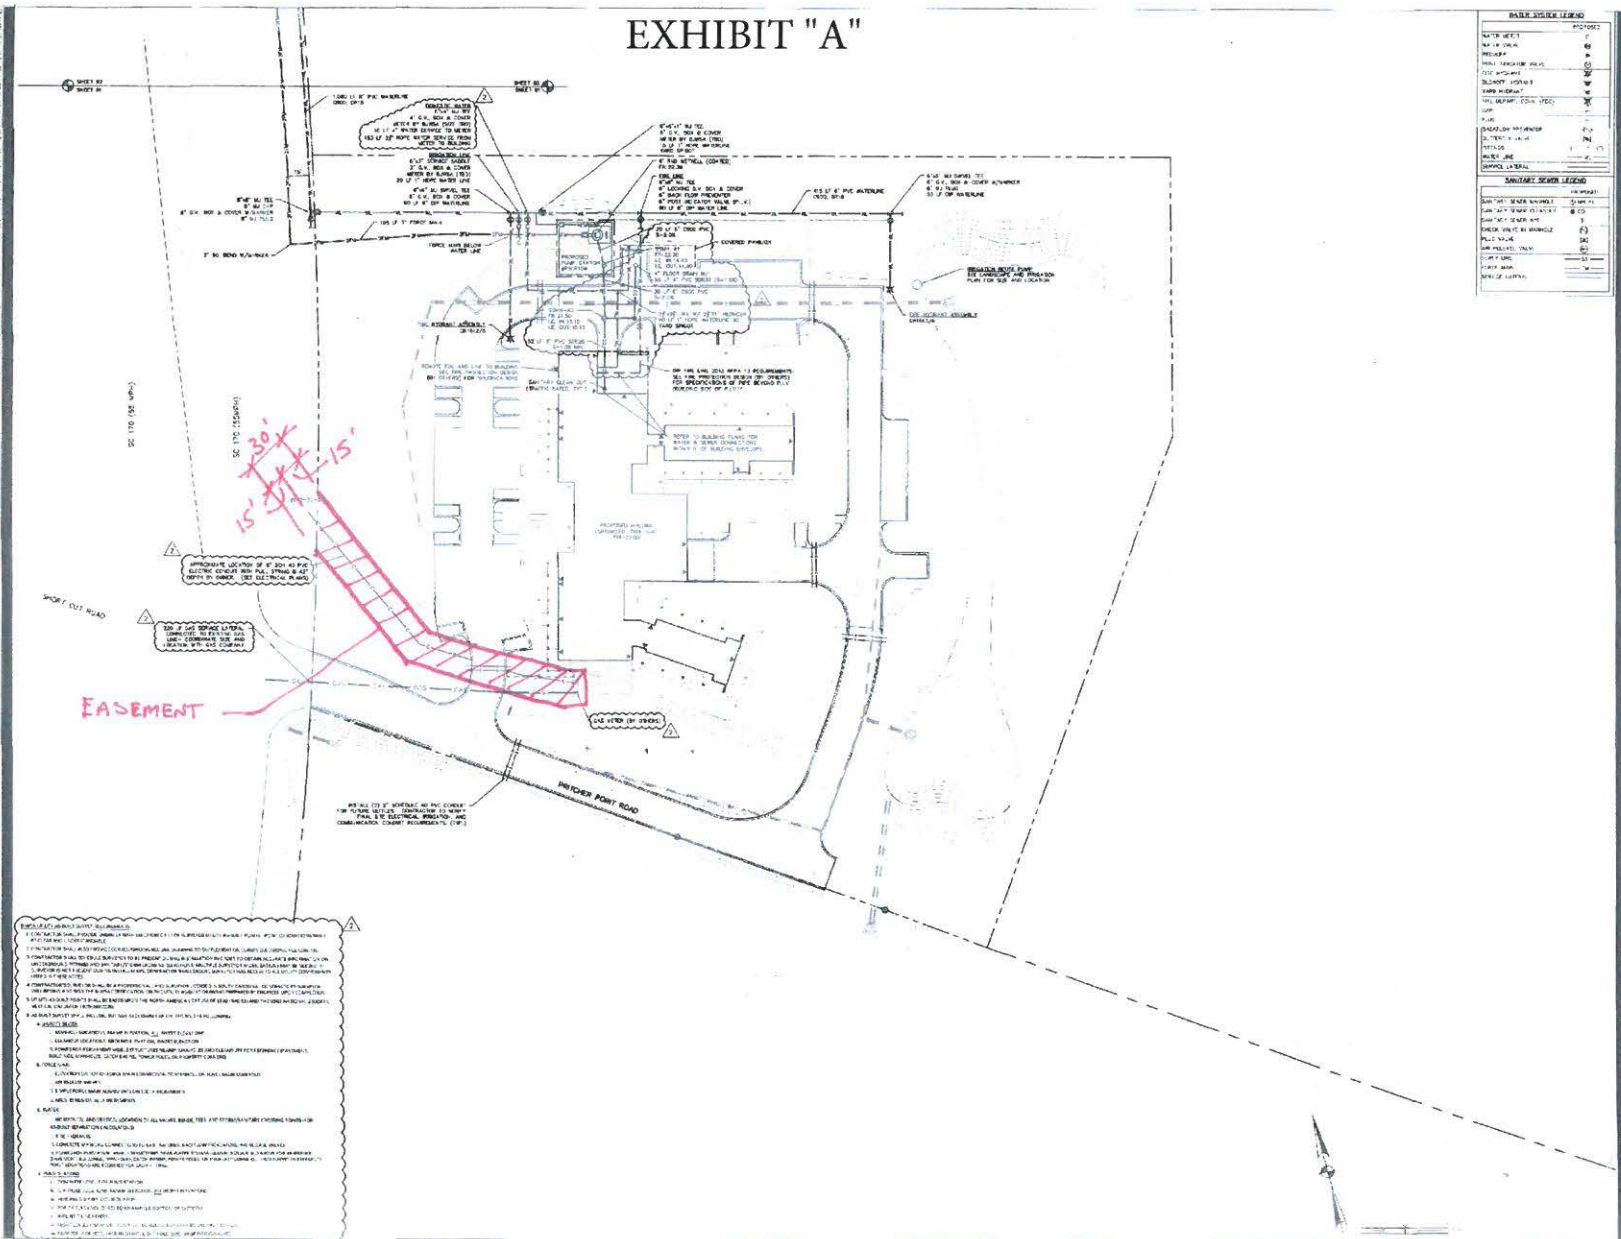

**RECOMMENDATION.** That the Public Facilities Committee approve and recommend to County Council the requested easement from PEC in order to provide electrical services for the new Animal Services Facility.

OTHER: Previous Owner Atlas SC I SPE LLC
Deed Book: 3005 Page: 1141

Said easement being fifteen (15') feet on either side of centerline of power line or thirty (30') feet wide. More specifically described in attached Exhibit "A".

TOGETHER with all and singular, the Rights, Members, Hereditaments and Appurtenances to the said Premises belonging, or in any wise incident or appertaining. TO HAVE AND TO HOLD, all and singular, the said Premises before mentioned unto the PALMETTO ELECTRIC COOPERATIVE, INC., its Successors and Assigns forever.

**AND I (WE)** do hereby bind myself (ourselves) and my (our) Heirs and Assigns, Executors and Administrators, to warrant and forever defend, all and singular, the said Premises unto the said **PALMETTO ELECTRIC COOPERATIVE, INC.**, its Successors and Assigns, against me (us) and my (our) Heirs, and all persons whomsoever lawfully claiming, or to claim the same or any part thereof.

The grant of this easement is subject to the following terms and conditions:

1. That **Grantee's** right to enter the above-described property shall be nonexclusive and solely for the purpose of, and is hereby limited to, such activities as are reasonable necessary for construction, reconstructing, operating and maintaining an overhead and/or underground electric or communications system.
2. That **Grantor** hereby reserves the right to use or convey the property which is subject of this Easement in any manner whatsoever which does not interfere with the use and enjoyment of the Easement.
3. That **Grantor** hereby reserves the right to change the location of the within Easement from time to time, but solely at the expense of **Grantor**.
4. That landscaping shall not be planted within ten (10') feet of any door or opening of electrical distribution equipment, or within the boundaries of the basic easement. If landscaping is planted in violation of this provision, Grantee shall have the right to remove such landscaping and shall have no obligation to replant such landscaping.
