## Traffic Signal Installed on Sea Island Parkway Due to New Walmart

Beaufort County has installed a new traffic signal on Sea Island Parkway/U.S. Hwy. 21 at Airport Circle on Lady's Island in preparation for the opening of the new Walmart. The signal will be in a flashing mode beginning Wednesday, May 10 to give drivers advance notice. The traffic signal will be placed in normal operation on Monday, May 15. These are target dates and times and may be delayed due to weather and/or field conditions. Motorists are asked to use caution when approaching this intersection due to the new traffic signal. For more information, contact the Beaufort County Traffic and Transportation Engineering Department at 843-255-2940.
