PUBLIC NOTICE: Outdoor Warning System Siren Grant Project

The [Federal Emergency Management Agency](#) and [South Carolina Emergency Management Division](#) have received an application for Federal grant funding through the [Hazard Mitigation Grant Program](#).

Beaufort County is looking to bid and procure a warning system that would include a master controller that would receive notification from NOAA that will automatically activate the warning system.

The purchase and installation of 12 sirens would be strategically placed throughout Beaufort County to reach the most area covered.

Beaufort County will be responsible for facilitating and monitoring the proposed project. Interested persons may direct any comments or questions to the County's Disaster Recovery Coordinator via email at pcobb@bcgov.net or by telephone at 843-255-2721.
