Sprint Devices Having Connection Issues to County Landlines

Individuals using Sprint mobile devices may experience intermittent connection issues when attempting to call Beaufort County government landline phones with a “255” prefix due to data transmission issues with the County’s carrier for landline services. Callers experiencing issues are strongly encouraged to contact [Sprint](#) at 844-382-3312 to report any issues. Hargray is working on the County’s behalf to resolve the issue with Sprint.

County departments can be contacted online via email from the County’s website, www.bcgov.net, [here](#).

The County regrets the inconvenience caused to the public.
