

BEAUFORT COUNTY RURAL AND CRITICAL LAND PRESERVATION BOARD

The regular meeting of the Beaufort County Rural and Critical Land Preservation Board (hereafter known as the Board) was replaced with an RCLP Orientation meeting that was held on January 8, 2009 at the Marine Corps Air Station. The meeting highlighted the County's land buying program, its purposes, history, and accomplishments to date. It also showed how the RCLP program has, and can continue to, partner with federal, state and local governments, and non-profits, to protect our lowcountry environment and lifestyle. The meeting included lunch, an opportunity to tour the Air Station, and an up-close and personal look at an F-18 Hornet.
