

DON'T WASTE IT! COMPOST!

Follow these **4 SIMPLE STEPS** to compost at this site.

STEP 1: LEARN!

Take the quick training to learn the rules of what can be and can't be composted.

STEP 2: COLLECT!

Collect food waste scraps from your home. Use a kitchen caddy or small bin.

STEP 3: UNLOCK!

After the training, **use your code** to unlock the compost bin and empty your food scraps.

STEP 4: REPEAT!

Rinse your compost container and start collecting food scraps again.
